**Re: Equity Commitment**

Reference is made to the proposed acquisition by Bidco of the entire issued and to be issued share capital of IQGeo Group plc (the "**Company**") substantially on the terms set out in the draft announcement attached at Annex 1 or any revision or amendment thereof (the "**Announcement**", and such acquisition, the "**Transaction**"). The Transaction is expected to be implemented by way of a court-sanctioned scheme of arrangement pursuant to Part 26 of the Companies Act 2006 (the "**Scheme**"); however, subject to the consent of the Panel on Takeovers and Mergers (the "**Panel**"), Bidco reserves its right to implement the Transaction by way of a contractual takeover offer for the purposes of Chapter 3 of Part 28 of the Companies Act 2006 (a "**Takeover Offer**").

1.

- (a) Subject only to the terms of Paragraph 2 and Paragraph 6, each of the undersigned (each, an "**Investor**" and, together, the "**Investors**") irrevocably agrees and undertakes that it will contribute to, or cause to be contributed to, Bidco, in time for it to pay the consideration to be paid by it in connection with the Transaction (the "**Payment Obligation**") in accordance with the City Code on Takeovers and Mergers as issued from time to time by or on behalf of the Panel (the "**Code**") on the settlement date by which Bidco must comply with its Payment Obligation, by way of one or more direct or indirect capital contributions (which contributions may take the form of ordinary equity, preferred equity, other equity or debt securities or shareholder loans), in immediately-available GBP-denominated funds, an amount up to the amount set forth opposite such Investor's name in Annex 2 (as such amounts may be adjusted in accordance with this letter agreement, the "**Equity Commitments**"), which amounts will be used by Bidco for the purpose of satisfying the Payment Obligation.
- (b) It is agreed and understood that (i) the aggregate amount to be funded by the Investors hereunder will be reduced proportionately among the Investors, on a £-for-£ basis, in the event Bidco does not require all of the equity contemplated by the Equity Commitments to satisfy the Payment Obligation, and (ii) the Investors may reallocate the amounts of their respective Equity Commitments as set forth in Annex 2 to another Investor at any time and from time to time if and to the extent that, after giving effect to each such reallocation, the Investors' aggregate liability hereunder shall not be less than the excess, if any, of the aggregate amount of the Equity Commitments over the aggregate amount previously paid by the Investors to Bidco pursuant to this letter agreement (and

not withdrawn, extracted, repaid or redeemed); provided, however, that after giving effect to any such reduction, reallocation or amendment, the representations and warranties given by each Investor remain true.

- (c) The Investors' aggregate liability pursuant to this letter agreement and in connection with the Transaction shall be limited to the amount of the excess, if any, of the aggregate amount of the Equity Commitments over the aggregate amount previously paid by the Investors to Bidco pursuant to this letter agreement (and not withdrawn, extracted, repaid or redeemed) and so available to satisfy the Payment Obligation. None of the Investors will have any Liability (as defined in Paragraph 8) under or in respect of the Equity Commitment of any other Investor (including in the event of the breach by any other Investor of its obligation or liability hereunder).
  - (d) Notwithstanding anything that may be expressed or implied in this letter agreement, no Investor shall be liable or otherwise obligated to pay, whether by way of damages for breach, pursuant to its respective Equity Commitment or otherwise, any amount greater than the amount of its respective Equity Commitment.
2. The obligation of the Investors to fund their respective Equity Commitments as provided in Paragraph 1 is subject to (i) the Announcement being made, and (ii) the Scheme becoming Effective (as defined in the Announcement) (or, following a switch to a Takeover Offer, the Takeover Offer becoming or being declared wholly unconditional).
3. Each Investor hereby represents and warrants to Bidco as follows:
- (a) such Investor is duly organized, validly existing and in good standing (to the extent its jurisdiction of organization recognizes the concept of good standing) under the laws of its jurisdiction of organization;
  - (b) the execution, delivery and performance of this letter agreement by such Investor is within its corporate, partnership or limited liability company powers and has been duly authorized by all necessary action, and no other proceedings or actions on the part of such Investor are necessary to perform its obligations hereunder;
  - (c) this letter agreement is a valid and binding obligation of such Investor, enforceable against it in accordance with its terms, except as may be limited by any bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance or other similar laws affecting the enforcement of creditors' rights generally or by general principles of equity; and
  - (d) the execution, delivery and performance by such Investor of this letter agreement does not and will not (1) violate the organizational documents of such Investor, (2) violate any applicable law or court or governmental order to which such Investor or any of its assets are subject or (3) require any consent or other action by any person under, constitute a default (or an event that with notice or lapse of time or both would become a default) under, result in any breach of or give rise to any right of termination, cancellation, amendment or

acceleration of, any right or obligation of such Investor, except for such violations, consents, actions, defaults, rights or obligations which would not adversely affect such Investor's ability to perform its obligations hereunder.

4. Each Investor represents, warrants and undertakes to Bidco that it has the financial capacity to pay and perform its obligations under this letter agreement, and all funds necessary for such Investor to fulfil its obligations under this letter agreement shall be available to such Investor for so long as this letter agreement shall remain in effect in accordance with Paragraph 6.
5. Bidco agrees that its sole right under this letter agreement is to seek specific performance against the Investors of their respective obligations to fund to Bidco the amount of their respective Equity Commitments as and when required to be funded on the terms and subject to the conditions set forth in this letter agreement, and that Bidco shall have no other right or remedy against the Investors under this letter agreement. For the avoidance of doubt, the Equity Commitments will be funded (directly or indirectly) to Bidco.
6. This letter agreement, and the obligations of the Investors to fund their respective Equity Commitments, shall terminate and be of no further force or effect immediately and automatically upon the earliest to occur of (i) 5:00 p.m. BST on 9 May, if the Announcement is not released by such time; (ii) the Scheme not becoming effective, or lapsing, in accordance with its terms and Bidco publicly confirming that it does not intend to implement the Transaction by way of a Takeover Offer (or, in the case of a Takeover Offer, the Takeover Offer not becoming or being declared wholly unconditional, or lapsing in accordance with its terms); (iii) Bidco announcing, with the consent of the Panel, that it does not intend to proceed with the Transaction; and (iv) such time as the Investors contribute to, or cause to be contributed to, Bidco their respective Equity Commitments (as reduced or reallocated in accordance with Paragraph 1). Notwithstanding anything to the contrary in this letter agreement, Paragraphs 7 to 15 (inclusive) shall survive indefinitely any termination of this letter agreement.
7. Nothing in this letter agreement, express or implied, is intended to confer on any person, other than the parties hereto and their respective successors and permitted assigns, any rights or remedies under or by reason of this letter agreement, except that, subject to and in accordance with the Contracts (Rights of Third Parties) Act 1999, each Non-Liable Person (as defined in Paragraph 8(a)) shall be entitled to enforce the terms of Paragraph 8, but subject always to the other provisions of this letter agreement; provided that the parties hereto shall be entitled to amend or waive the terms of this letter agreement without the consent of any such Non-Liable Persons. None of Bidco's creditors shall have any right to enforce this letter agreement or to cause Bidco to enforce this letter agreement, and Bidco hereby agrees, on behalf of itself and its successors, that in the event of any attempted enforcement of this letter agreement by it in circumstances where it is controlled by its creditors, it waives all rights hereunder. No term of this letter agreement shall be enforceable by a third party except as described in this Paragraph 7.
8. Notwithstanding anything that may be expressed or implied in this letter agreement, each of the parties, by its acceptance of the terms hereof, covenants, agrees and

acknowledges that, except as expressly provided in any document or instrument delivered in connection with the Transaction:

- (a) no person other than Bidco and the Investors shall have any liability, obligation or commitment of whatever nature, known or unknown, whether due or to become due, assigned or unassigned, absolute, contingent or otherwise (whether by or through attempted piercing of the corporate veil, by or through any claim (whether in tort, contract or otherwise) made by or on behalf of Bidco against an Investor, by the enforcement of any assessment, by any legal or equitable proceeding, or by virtue of any statute, regulation or other applicable law, or otherwise) (i) hereunder or in connection herewith or (ii) for any representation, statement, assurance, covenant, undertaking, warranty, promise, forecast, indemnity, guarantee or commitment (whether contractual or otherwise, whether negligent or otherwise and whether or not in writing) (a "**Representation**") arising out of or in connection with this letter agreement ((i) and (ii) collectively, "**Liability**"), and that no recourse in respect of any Liability shall be had against, and no personal Liability whatsoever shall attach to, be imposed on or otherwise be incurred by, any former, current or future director, officer, employee, agent, general or limited partner, manager, member, stockholder or affiliate of Bidco or any Investor or any former, current or future director, officer, employee, agent, general or limited partner, manager, member, stockholder or affiliate of any of the foregoing (the "**Non-Liable Persons**"), and that Bidco shall not institute, and shall cause its affiliates not to institute, any proceeding or bring any other claim (whether in tort, contract or otherwise) arising under, or in connection with, this letter agreement, or in respect of any oral representations made or alleged to be made or any documents or instruments delivered in connection herewith, against any Non-Liable Person. Nothing in this Paragraph 8 shall be deemed in any way to limit or restrict the Investors from exercising any rights they may have against any of their respective Non-Liable Persons in connection with the satisfaction of any amounts payable hereunder; and
  - (b) it has not entered into this letter agreement in reliance on, or been induced to do so by, and will not be entitled to, and will not, bring any claims in relation to, any Representation other than as expressly set forth herein and that its only right and remedy in relation to any such Representation and otherwise in connection with this letter agreement will be for breach of the terms of this letter agreement to the exclusion of all other rights and remedies (including those in tort or arising under statute).
9. Neither this letter agreement nor any of the rights and benefits hereunder shall be assigned or otherwise transferred, in whole or in part, by any party hereto without the prior written consent of the other parties hereto. Notwithstanding the foregoing, each Investor may assign all or a portion of its obligation to fund its Equity Commitment to any affiliate of such Investor; **provided, however**, that any such assignment shall not relieve such Investor of its obligations under this letter agreement and such Investor shall continue to benefit from all of its rights under this letter agreement.
10. The parties hereto acknowledge and agree that each provision of this letter agreement is an essential and integral part of the entire agreement and understanding among the parties hereto in respect of the subject matter hereof. Accordingly, if any term or other

provision of this letter agreement is adjudicated to be invalid or unenforceable, all of the other terms or provisions of this letter agreement shall be void.

11. This letter agreement constitutes the entire agreement between the parties hereto with respect to the subject matter hereof, and supersedes all prior agreements, written or oral, between them in respect thereof.
12. The obligations of the Investors under this letter agreement are several, and not joint or joint and several, obligations of each Investor.
13. In the event that a Takeover Offer is implemented by Bidco (with Panel consent), we confirm and agree that, subject to Paragraph 6, this letter agreement shall continue to be valid and legally binding and all references (a) to the Scheme shall, where the context permits, be read as references to the Takeover Offer; (b) to the Scheme becoming Effective shall be read as the Takeover Offer becoming or being declared unconditional in all respects; and (c) to the Scheme lapsing or being withdrawn shall be read as the closing or lapsing of the Takeover Offer.
14. This letter agreement and all matters arising out of or relating in any way whatsoever (whether in contract, tort or otherwise) to this letter agreement shall be governed by and construed in accordance with English law. All disputes arising out of or in connection with this letter agreement shall be finally settled under the Rules of Arbitration of the London Court of International Arbitration ("LCIA") by three arbitrators. The claimant(s) shall nominate one arbitrator to be approved by the LCIA Court in accordance with the LCIA Rules. The respondent(s) shall nominate one arbitrator to be approved by the LCIA Court in accordance with the LCIA Rules. The third arbitrator, who shall act as the chairman of the tribunal, shall be nominated by agreement of the two party-appointed arbitrators, reached in consultation with the parties, within twenty (20) days of the confirmation of the appointment of the second arbitrator, or in default of such agreement, appointed by the LCIA Court. In the event that any party fails to nominate an arbitrator in accordance with the foregoing, then the LCIA Court shall nominate an arbitrator on behalf of the party that has failed to nominate an arbitrator. The place of arbitration shall be London, England. The language of the arbitration shall be English.
15. This letter agreement may be executed in counterparts.
16. All amounts under this letter agreement shall be delivered in full on the terms and conditions set out herein and without any set-off, counterclaim, deduction or withholding.
17. The parties hereto irrevocably and unconditionally waive any right to rescind or repudiate this letter agreement.
18. Time is of the essence for all obligations, times, dates and periods in this letter agreement.

**RECOMMENDED CASH ACQUISITION  
OF  
IQGEO GROUP PLC ("IQGEO")  
BY  
GEOLOGIST BIDCO LIMITED ("BIDCO")  
a newly formed company wholly-owned by funds advised by Kohlberg Kravis Roberts  
& Co. L.P. and its affiliates ("KKR")  
  
to be effected by means of a Scheme of Arrangement  
under Part 26 of the Companies Act 2006**

**Summary**

- The boards of Bidco and IQGeo are pleased to announce that they have reached agreement on the terms of a recommended cash acquisition of the entire issued and to be issued ordinary share capital of IQGeo (the "**Acquisition**").

**Acquisition terms**

- Under the terms of the Acquisition, IQGeo Shareholders will be entitled to receive:  
  

<b>For each IQGeo Share held:</b>	<b>480 pence in cash</b>
	<b>(the "Cash Offer")</b>
  
- The Cash Offer values the entire issued and to be issued share capital of IQGeo at approximately £333 million on a fully diluted basis and implies an enterprise value of approximately £316 million.
  
- The Cash Offer represents attractive enterprise value multiples of approximately:
  - 14.9x IQGeo's Exit ARR of £21.3 million as at 31 December 2023;
  - 20.1x IQGeo's In-year Recurring Revenue of £15.7 million for FY2023;
  - 7.1x IQGeo's revenue of £44.5 million for FY2023;
  - 48.1x IQGeo's Adjusted EBITDA of £6.6 million for FY2023; and
  - 139.6x IQGeo's Adjusted EBITDAC of £2.3 million for FY2023.

- The Cash Offer provides certain value for shareholders at a premium of approximately:
  - 48 per cent. to the twelve-month volume weighted average price of 325 pence per IQGeo Share to 13 May 2024 (being the Latest Practicable Date);
  - 36 per cent. to the six-month volume weighted average price of 352 pence per IQGeo Share to the Latest Practicable Date; and
  - 19 per cent. to the Closing Price of 405 pence per IQGeo Share on the Latest Practicable Date.
- As an alternative to the Cash Offer, Eligible IQGeo Shareholders may elect for the Alternative Offer (as defined in paragraph 2 of this Announcement), pursuant to which they will receive unlisted ordinary shares, which will ultimately be issued pursuant to the mechanism referred to in paragraph 14 of this Announcement, in the capital of a holding company of Bidco to be incorporated in England and Wales for the purpose of the Acquisition ("**Topco**") (the "**Topco Investor Shares**"). IQGeo Shareholders will only be able to elect for the Alternative Offer in relation to their entire holding of IQGeo Shares and not part only. The Topco Investor Shares will be independently valued and an estimate of the value of the Topco Investor Shares will be included in the Scheme Document. A summary of the Topco Investor Shares is set out in paragraph 13 of this Announcement and in Appendix 4 to this Announcement, and further details will be included in the Scheme Document, the Topco Shareholders' Agreement and the Topco Articles.
- If, on or after the date of this Announcement and on or prior to the Effective Date, any dividend and/or other distribution and/or return of capital is authorised, declared, made or paid or becomes payable in respect of IQGeo Shares, Bidco reserves the right to reduce the cash consideration payable under the Cash Offer (and, as the case may be, the consideration due under the Alternative Offer) by an amount equal to all or part of any such dividend and/or other distribution and/or return of capital, in which case IQGeo Shareholders would be entitled to receive and retain any such dividend and/or other distribution and/or return of capital.

### **Background to and reasons for the Acquisition**

- KKR has been assessing IQGeo and its business for a number of months and recognises IQGeo's differentiated and modern product, proven management team and strong value proposition for its customers. Moreover, IQGeo operates in a sizeable and fast-growing geospatial software market, providing critical software and services to support leading operators within the telecoms and utility segments across their full lifecycle, from network design to operation.
- KKR sees an opportunity to accelerate IQGeo's transition towards a recurring software centric business model and the development of IQGeo's future product roadmap under private ownership. IQGeo's sector is developing rapidly, as fibre and grid infrastructure are undergoing major transformation and upgrades to deliver against national connectivity and sustainability goals. For this, IQGeo will require significant investment that is likely to reduce profitability in the short to medium term, but build the strong operational foundations required to support IQGeo's next phase of growth, scale its platform globally and drive sustainable long-term value. As such, KKR

believes that moving to private ownership is in the long-term interest of IQGeo, its customers and its other stakeholders. Consistent with this approach, KKR is financing the Cash Offer entirely from equity and has a conservative approach to leverage to focus cash generation on investment for the future.

- KKR is also strongly positioned to support IQGeo in these ambitions. By investing from both the KKR Global Impact Fund and Next Generation Technology Growth Fund, KKR brings a deep understanding of the operational challenges facing IQGeo's end-markets as well as extensive technology sector expertise, including via investments in ReliaQuest, OutSystems and KnowBe4. KKR sees the opportunity to drive investments at IQGeo across:
  - **Technology:** further expanding the breadth of its software solution suite via incremental product upgrades and new capabilities;
  - **Organisational processes:** scaling key operational areas including sales and corporate development to sustain IQGeo's existing commercial momentum;
  - **Sustainability:** supporting IQGeo to continue to track and improve product return on investment to customers while providing a leading solution for the efficient roll-out and maintenance of new and existing networks;
  - **Customer relationships:** strengthening and growing IQGeo's customer base with companies deploying fibre and developing grid infrastructure;
  - **International footprint:** supporting IQGeo's international expansion efforts; and
  - **Strategic M&A:** supporting management in accelerating its inorganic growth strategy should the opportunity arise for strategic acquisitions which would add incremental product functionality or access to new customers and/or regions.
- KKR is also a major global investor in telecoms infrastructure, particularly fibre deployment and electricity grid infrastructure, and has developed a deep understanding of market dynamics in these two sectors. The Acquisition will provide IQGeo and its management team with access to KKR's extensive global network, support from a broad range of KKR tools and dedicated value creation resources with a view to accelerating IQGeo's current organic growth momentum delivered with existing resources.
- This offer gives IQGeo's shareholders a price, and certainty in the context of low trading liquidity and share price volatility, that reflect IQGeo's strong historical performance, while allowing KKR to make a long-term commitment to support the business in achieving its goals and maximising its potential.

### **Background to and reasons for the recommendation**

- Under the leadership of its current management team, IQGeo has delivered strong revenue growth, and EBITDA and net income profitability in FY2022 and FY2023, respectively. The Board believes IQGeo's AIM listing has played a vital role in its development. The market has supported the Company with equity capital for acquisitions and the share price has increased more than 2.7x in the last two years.

- As a result of its recent growth, the Board believes IQGeo is now approaching a potential inflection point, with three key areas of additional investment likely to be required over the coming years:
  - in light of the increasing number of complex projects for large Tier-1 customers, the Company's lean operating structure creates execution risk, and investments in people and operational processes may therefore need to be brought forward;
  - positioning the business to capture the longer-term market opportunity would require a step change in product and technology investment; and
  - capitalising on acquisition opportunities would require investment in corporate development functions as well as access to additional expertise and capital.
- Whilst the Board believes that IQGeo can deliver on short-term growth expectations without significantly expanding existing levels of investment, this could increase execution risk, and increased investment will be required to underpin medium and long-term growth expectations. This would result in a change in IQGeo's financial profile, introduce volatility in IQGeo's financial performance, and carry an element of risk. This could have negative implications for IQGeo's share price, especially in view of its strong recent rise and the very low levels of liquidity.
- Over the last two years, the Company has received numerous unsolicited approaches, but no one has put forward an offer that the Board would be prepared to recommend to shareholders. In response to two credible and well-qualified approaches from interested parties, the Board decided to undertake a competitive private sale process under the Takeover Code. The Board commissioned Evercore to approach a carefully selected list of the best qualified candidates to participate in this process.
- Having engaged with such parties over several months, including providing detailed information under non-disclosure agreements, the Board concluded that the proposal from Bidco, which followed a period of extensive price negotiation, was the most attractive for shareholders, the most immediately deliverable and likely to be most advantageous for the business and its other stakeholders. Discussions with all other parties who have approached IQGeo in the past two years or were involved in the recent process have been terminated.
- The IQGeo Directors have taken all relevant factors into account in considering the terms of the Cash Offer, including:
  - the IQGeo Directors have concluded that the terms of the Cash Offer reflect the risk-adjusted fundamental valuation of IQGeo and its future prospects;
  - the Cash Offer provides shareholders with an opportunity to realise certain value of their holdings today at a premium to IQGeo's all-time share price high. In this context the Board has considered the historic share price volatility of IQGeo and the low trading liquidity in its shares;
  - the implied valuation of IQGeo, in particular the enterprise value multiples set out above, which the Board considers to be attractive;

- the premia to recent volume-weighted average prices as set out above;
  - the returns over time that the Cash Offer will enable shareholders to crystallise; and
  - the risk associated with the delivery of future potential value and share price performance, with or without accelerated near term investment, particularly in the context of market and broader macroeconomic environment volatility.
- In addition, the IQGeo Directors are pleased to note Bidco's stated intentions concerning IQGeo's strategy, growth plans, management and employees, and other stakeholders of IQGeo, as well as Bidco's conservative approach to leverage to focus cash generation on investment for the future.

### **Recommendation**

- The IQGeo Directors, who have been so advised by Evercore and Cavendish as to the financial terms of the Acquisition, consider the terms of the Cash Offer to be fair and reasonable. In providing advice to the IQGeo Directors, Evercore and Cavendish have taken into account the commercial assessments of the IQGeo Directors. Evercore is providing independent financial advice to the IQGeo Directors for the purposes of Rule 3 of the Takeover Code.
- Accordingly, the IQGeo Directors intend to recommend unanimously that IQGeo Shareholders vote (or procure votes) in favour of the Scheme at the Court Meeting and to vote (or procure votes) in favour of the IQGeo Resolution(s) at the General Meeting as the IQGeo Directors who (or whose family) beneficially hold IQGeo Shares have irrevocably undertaken to do (or procure to be done) in respect of 4,162,181 IQGeo Shares in total, representing in aggregate approximately 6.7 per cent. of IQGeo's ordinary share capital in issue as at the Latest Practicable Date. These irrevocable undertakings remain binding in the event a higher competing offer is made for IQGeo by a third party.
- Evercore and Cavendish are unable to advise the IQGeo Directors as to whether or not the financial terms of the Alternative Offer are fair and reasonable. This is because of the significant and variable impact of the disadvantages and advantages of the Alternative Offer for individual IQGeo Shareholders including, in terms of the advantages, in particular, the ability to participate in the future value creation of the IQGeo Group, and in terms of the disadvantages, in particular, the terms of the Topco Investor Shares, including the fact that they are illiquid and are not transferrable (save with the prior consent of KKR Investor or pursuant to the drag and tag rights), the level of uncertainty in their future value, and the potential dilution that may result if an IQGeo Shareholder elected not to participate in any further issue of securities by Topco in the period following the Effective Date. Further details are set out in paragraph 4 of this Announcement.
- Accordingly, the IQGeo Directors are unable to form an opinion as to whether or not the terms of the Alternative Offer are fair and reasonable and are not making any recommendation to IQGeo Shareholders as to whether or not they should elect for the Alternative Offer.

- IQGeo Shareholders are encouraged to take into account the key advantages and disadvantages of the Alternative Offer outlined in paragraph 4 of this Announcement, as well as their particular circumstances, when deciding whether to elect for the Alternative Offer. IQGeo Shareholders should also ascertain whether acquiring or holding Topco Investor Shares is affected by the laws of the relevant jurisdiction in which they reside and consider whether Topco Investor Shares are a suitable investment in light of their own personal circumstances. Accordingly, IQGeo Shareholders are strongly recommended to seek their own independent financial, tax and legal advice in light of their own particular circumstances and investment objectives before deciding whether to elect for the Alternative Offer. Any decision to elect for the Alternative Offer should be based on independent financial, tax and legal advice and full consideration of this Announcement and the Scheme Document (when published).

### **Shareholder support**

- In addition to the irrevocable undertakings given by the IQGeo Directors referred to above, Bidco has also received irrevocable undertakings from:
  - Kestrel Partners to vote (or procure votes) (i) in favour of the Scheme at the Court Meeting and the IQGeo Resolution(s) at the General Meeting and (ii) against any competing proposal, in respect of 16,294,119 IQGeo Shares, representing approximately 26.4 per cent. of the ordinary share capital of IQGeo in issue as at the Latest Practicable Date. This irrevocable undertaking remains binding in the event a higher competing offer is made for IQGeo by a third party;
  - Mr Raf Meersman to vote in favour of the Scheme at the Court Meeting and the IQGeo Resolution(s) at the General Meeting, in respect of 777,657 IQGeo Shares in total, representing approximately 1.3 per cent. of the ordinary share capital of IQGeo in issue as at the Latest Practicable Date. This irrevocable undertaking remains binding in the event a higher competing offer is made for IQGeo by a third party; and
  - each of Herald Investment Management Limited and Mr Richard Terence Green to vote (or procure votes) in favour of the Scheme at the Court Meeting and the IQGeo Resolution(s) at the General Meeting, in respect of, in aggregate, 3,455,585 IQGeo Shares, representing approximately 5.6 per cent. of the ordinary share capital of IQGeo in issue as at the Latest Practicable Date.
- In addition, Bidco has also received non-binding letters of intent from Canaccord Genuity Asset Management and Charles Stanley & Co Ltd to vote (or procure votes) in favour of the Scheme at the Court Meeting and the IQGeo Resolution(s) at the General Meeting, in respect of, in aggregate, 11,250,000 IQGeo Shares, representing approximately 18.2 per cent. of the ordinary share capital of IQGeo in issue as at the Latest Practicable Date.
- Bidco has therefore received, in aggregate, irrevocable undertakings and letters of intent in respect of 35,939,542 IQGeo Shares, representing approximately 58.2 per cent. of IQGeo's ordinary share capital in issue as at the Latest Practicable Date.

- Further details of these irrevocable undertakings and letters of intent, including the circumstances in which they may lapse, are set out in paragraph 5 of this Announcement and in Appendix 3 to this Announcement.

However, Bidco reserves the right to elect to implement the Acquisition by way of a Takeover Offer, subject to the consent of the Panel (where necessary) and the terms of the Co-operation Agreement.
- The Acquisition will be put to Scheme Shareholders at the Court Meeting and IQGeo Shareholders at the General Meeting. In order to become Effective, the Scheme must be approved by a majority in number of the Scheme Shareholders voting at the Court Meeting, either in person or by proxy, representing at least 75 per cent. in value of the Scheme Shares voted. In addition, the approval of the IQGeo Resolution(s) by the requisite majority of IQGeo Shareholders at the General Meeting (expected to be held immediately after the Court Meeting) is also required for the implementation of the Scheme, together with the sanction of the Scheme by the Court. Finally, a copy of the Court Order must be delivered to the Registrar of Companies, upon which the Scheme will become Effective.
- The Acquisition will also be conditional upon the receipt of antitrust clearance in Cyprus as well as regulatory clearances (or the expiry of relevant waiting periods) in Belgium, Germany and the UK.
- The Acquisition will be made in accordance with the Takeover Code and on the terms and subject to the Conditions which are set out in Appendix 1 to this Announcement and on the further terms and conditions that will be set out in the Scheme Document.
- The Scheme Document, containing further information about the Acquisition and notices of the Court Meeting and the General Meeting, and which will be accompanied by the Forms of Proxy and Form of Election, will be published as soon as reasonably practicable, and in any event within 28 days of this Announcement (unless the Panel consents to a later date). The Scheme Document will specify the actions to be taken by IQGeo Shareholders and will contain an expected timetable for the implementation of the Scheme.
- The Scheme is expected to become Effective in Q4 2024, subject to the satisfaction or, where permitted, waiver of the Conditions set out in the Appendix 1 to this Announcement.

**RECOMMENDED CASH ACQUISITION  
OF  
IQGEO GROUP PLC ("IQGEO")  
BY  
GEOLOGIST BIDCO LIMITED ("BIDCO")  
a newly formed company wholly-owned by funds advised by Kohlberg Kravis Roberts  
& Co. L.P. and its affiliates ("KKR")  
to be effected by means of a Scheme of Arrangement  
under Part 26 of the Companies Act 2006**

**1. Introduction**

The boards of Bidco and IQGeo are pleased to announce that they have reached agreement on the terms of a recommended cash acquisition of the entire issued and to be issued ordinary share capital of IQGeo (the "**Acquisition**"). The Acquisition is intended to be implemented by means of a scheme of arrangement under Part 26 of the Companies Act.

**2. The Acquisition**

Under the terms of the Acquisition, which will be subject to the Conditions and further terms set out below and in Appendix 1 to this Announcement, and to be set out in the Scheme Document, IQGeo Shareholders will be entitled to receive:

**For each IQGeo Share held:                      480 pence in cash  
(the "Cash Offer")**

The Cash Offer values the entire issued and to be issued share capital of IQGeo at approximately £333 million on a fully diluted basis and implies an enterprise value of approximately £316 million.

The Cash Offer represents attractive enterprise value multiples of approximately:

- 14.9x IQGeo's Exit ARR of £21.3 million as at 31 December 2023;
- 20.1x IQGeo's In-year Recurring Revenue of £15.7 million for FY2023;
- 7.1x IQGeo's revenue of £44.5 million for FY2023;

- 48.1x IQGeo's Adjusted EBITDA of £6.6 million for FY2023; and
- 139.6x IQGeo's Adjusted EBITDAC of £2.3 million for FY2023.

The Cash Offer provides certain value for shareholders at a premium of approximately:

- 48 per cent. to the twelve-month volume weighted average price of 325 pence per IQGeo Share to 13 May 2024 (being the Latest Practicable Date);
- 36 per cent. to the six-month volume weighted average price of 352 pence per IQGeo Share to the Latest Practicable Date; and
- 19 per cent. to the Closing Price of 405 pence per IQGeo Share on the Latest Practicable Date.

As an alternative to the Cash Offer, Eligible IQGeo Shareholders may elect to receive 0.1 Topco Investor Share for each IQGeo Share (the "**Alternative Offer**"), subject to the terms and conditions of the Alternative Offer (referred to in paragraph 13 of this Announcement, in Appendix 4 to this Announcement and to be further set out in the Scheme Document).

Eligible IQGeo Shareholders will only be able to elect for the Alternative Offer in relation to their entire holding of IQGeo Shares and not part only.

The Topco Investor Shares will be independently valued and an estimate of the value of the Topco Investor Shares will be included in the Scheme Document. A summary of the Topco Investor Shares is set out in paragraph 13 of this Announcement and in Appendix 4 to this Announcement and further details will be included in the Scheme Document, the Topco Shareholders' Agreement and the Topco Articles.

If, on or after the date of this Announcement and on or prior to the Effective Date, any dividend and/or other distribution and/or return of capital is authorised, declared, made or paid or becomes payable in respect of IQGeo Shares, Bidco reserves the right to reduce the cash consideration payable under the Cash Offer (and, as the case may be, the consideration due under the Alternative Offer) under the terms of the Acquisition for the IQGeo Shares by an amount equal to all or part of any such dividend and/or other distribution and/or return of capital. In such circumstances, IQGeo Shareholders would be entitled to receive and retain any such dividend and/or other distribution and/or return of capital.

If and to the extent that any such dividend, distribution or return of value is authorised, declared, made or paid or becomes payable on or prior to the Effective Date, and Bidco exercises its rights under this paragraph 2 to reduce the consideration payable under the Cash Offer or, as the case may be, the Alternative Offer, any reference in this Announcement to the Acquisition, the Cash Offer and the Alternative Offer shall be deemed to be a reference to the Acquisition, the Cash Offer and the Alternative Offer respectively as so reduced.

It is expected that the Scheme Document (including details of the Court Meeting and the General Meeting), and the Forms of Proxy and Form of Election accompanying the Scheme Document, will be published as soon as reasonably practicable, and in any event within 28 days of this Announcement (unless the Panel consents to a later date) and the Scheme will become

Effective in Q4 2024, subject to the satisfaction or, where permitted, waiver of the Conditions set out in the Appendix 1 to this Announcement.

An expected timetable of principal events relating to the Acquisition and further information on the actions to be taken by the IQGeo Shareholders will be provided in the Scheme Document.

### 3. Background to and reasons for the Acquisition

KKR has been assessing IQGeo and its business for a number of months and recognises IQGeo's differentiated and modern product, proven management team and strong value proposition for its customers. Moreover, IQGeo operates in a sizeable and fast-growing geospatial software market, providing critical software and services to support leading operators within the telecoms and utility segments across their full lifecycle, from network design to operation.

KKR sees an opportunity to accelerate IQGeo's transition towards a recurring software centric business model and the development of IQGeo's future product roadmap under private ownership. IQGeo's sector is developing rapidly, as fibre and grid infrastructure are undergoing major transformation and upgrades to deliver against national connectivity and sustainability goals. For this, IQGeo will require significant investment that is likely to reduce profitability in the short to medium term, but build the strong operational foundations required to support IQGeo's next phase of growth, scale its platform globally and drive sustainable long-term value. As such, KKR believes that moving to private ownership is in the long-term interest of IQGeo, its customers and its other stakeholders. Consistent with this approach, KKR is financing the Cash Offer entirely from equity and has a conservative approach to leverage to focus cash generation on investment for the future.

KKR is also strongly positioned to support IQGeo in these ambitions. By investing from both the KKR Global Impact Fund and Next Generation Technology Growth Fund, KKR brings a deep understanding of the operational challenges facing IQGeo's end-markets as well as extensive technology sector expertise, including via investments in ReliaQuest, OutSystems and KnowBe4. KKR sees the opportunity to drive investments at IQGeo across:

- **Technology:** further expanding the breadth of its software solution suite via incremental product upgrades and new capabilities;
- **Organisational processes:** scaling key operational areas including sales and corporate development to sustain IQGeo's existing commercial momentum;
- **Sustainability:** supporting IQGeo to continue to track and improve product return on investment to customers while providing a leading solution for the efficient roll-out and maintenance of new and existing networks;
- **Customer relationships:** strengthening and growing IQGeo's customer base with companies deploying fibre and developing grid infrastructure;
- **International footprint:** supporting IQGeo's international expansion efforts; and

- **Strategic M&A:** supporting management in accelerating its inorganic growth strategy should the opportunity arise for strategic acquisitions which would add incremental product functionality or access to new customers and/or regions.

KKR is also a major global investor in telecoms infrastructure, particularly fibre deployment and electricity grid infrastructure, and has developed a deep understanding of market dynamics in these two sectors. The Acquisition will provide IQGeo and its management team with access to KKR's extensive global network, support from a broad range of KKR tools and dedicated value creation resources with a view to accelerating IQGeo's current organic growth momentum delivered with existing resources.

This offer gives IQGeo's shareholders a price, and certainty in the context of low trading liquidity and share price volatility, that reflect IQGeo's strong historical performance, while allowing KKR to make a long-term commitment to support the business in achieving its goals and maximising its potential.

#### 4. **Recommendation**

The IQGeo Directors, who have been so advised by Evercore and Cavendish as to the financial terms of the Acquisition, consider the terms of the Cash Offer to be fair and reasonable. In providing advice to the IQGeo Directors, Evercore and Cavendish have taken into account the commercial assessments of the IQGeo Directors. Evercore is providing independent financial advice to the IQGeo Directors for the purposes of Rule 3 of the Takeover Code.

Accordingly, the IQGeo Directors intend to unanimously recommend that IQGeo Shareholders vote (or procure votes) in favour of the Scheme at the Court Meeting and to vote (or procure votes) in favour of the IQGeo Resolution(s) at the General Meeting as the IQGeo Directors who (or whose family) beneficially hold IQGeo Shares have irrevocably undertaken to do (or procure to be done), in respect of 4,162,181 IQGeo Shares in total, representing in aggregate approximately 6.7 per cent. of the ordinary share capital of IQGeo in issue as at the Latest Practicable Date. These irrevocable undertakings remain binding in the event a higher competing offer is made for IQGeo by a third party.

In considering the terms of the Alternative Offer, Evercore, Cavendish and the IQGeo Directors have considered the key disadvantages and advantages of electing for the Alternative Offer outlined below:

##### *Disadvantages of electing for the Alternative Offer:*

- The Topco Investor Shares will be:
  - unlisted and will not be admitted to trading on any stock exchange and will therefore be illiquid. Any assessment of the value of the Topco Investor Shares should therefore take into account an individual shareholder's assessment of an appropriate liquidity discount;
  - non-transferrable (save with the prior consent of KKR Investor or pursuant to the drag and tag rights), and will be subject to a right of first offer in favour of KKR Investor and any Qualified Investor Shareholder; and

- of uncertain value and there can be no assurance that they will be capable of being sold in the future or that they will be capable of being sold at the value to be estimated by Rothschild & Co in the Scheme Document;
- Following the Effective Date, the Topco Group will be controlled by KKR Investor. Qualified Investor Shareholders (but not any other Investor Shareholder in Topco) will have consent rights only in respect of a limited number of Reserved Matters. Investor Shareholders (and, in particular, Investor Shareholders that are not Qualified Investor Shareholders) will therefore have limited or no influence over decisions made by Topco in relation to its investment in IQGeo or in any other business;
- The percentage ownership in Topco of Investor Shareholders who do not elect to participate in any further issue of securities by Topco following the Effective Date may be reduced;
- Eligible IQGeo Shareholders will only be able to elect for the Alternative Offer in relation to their entire holding of IQGeo Shares and not part only; and
- IQGeo Shareholders will have no certainty as to the number of Topco Investor Shares they would receive because:
  - the maximum number of Topco Investor Shares available to IQGeo Shareholders under the Alternative Offer will be limited to the equivalent of 30 per cent. of the total share capital of Topco in issue immediately following the issue of the Topco Offer Shares (as described in paragraph 13 of this Announcement); and
  - to the extent that elections for the Alternative Offer cannot be satisfied in full, the entitlement to Topco Investor Shares of each IQGeo Shareholder who has made a valid election will be reduced on a *pro rata* basis and rounded down to the nearest whole number, and the balance of the consideration due to such IQGeo Shareholder will be paid in cash in accordance with the terms of the Cash Offer.

*Advantages of electing for the Alternative Offer:*

- The Alternative Offer allows IQGeo Shareholders to invest directly in the recapitalised IQGeo Group, providing continued economic exposure to a private equity owned enterprise without incurring ongoing management fees;
- The Alternative Offer allows IQGeo Shareholders to participate in future value creation and may ultimately deliver greater value than the Cash Offer (although this cannot be guaranteed); and
- The Topco Investor Shares are Topco Ordinary Shares and, save for those terms summarised above and in paragraph 13 of this Announcement and in Appendix 4 to this Announcement (and to be further set out in the Scheme Document, the Topco Articles and the Topco Shareholders' Agreement), will carry the same voting and economic rights as the Topco Ordinary Shares held by KKR Investor, including *pro rata* entitlement to dividends, distributions and returns of capital and pre-emptive rights.

Evercore and Cavendish are unable to advise the IQGeo Directors as to whether or not the financial terms of the Alternative Offer are fair and reasonable. This is because of the significant and variable impact of the disadvantages and advantages of the Alternative Offer for individual IQGeo Shareholders including, in terms of the advantages, in particular, the ability to participate in the future value creation of the IQGeo Group, and in terms of the disadvantages, in particular, the terms of the Topco Investor Shares including the fact that they are illiquid and not transferrable (save with the prior consent of KKR Investor or pursuant to the drag and tag rights), the level of uncertainty in their future value, and the potential dilution that may result if an IQGeo Shareholder elected not to participate in any further issue of securities by Topco in the period following the Effective Date.

Accordingly, the IQGeo Directors are unable to form an opinion as to whether or not the terms of the Alternative Offer are fair and reasonable and are not making any recommendation to IQGeo Shareholders as to whether or not they should elect for the Alternative Offer.

IQGeo Shareholders are encouraged to take into account the key advantages and disadvantages of the Alternative Offer outlined in this paragraph 4, as well as their particular circumstances, when deciding whether to elect for the Alternative Offer. IQGeo Shareholders should also ascertain whether acquiring or holding Topco Investor Shares is affected by the laws of the relevant jurisdiction in which they reside and consider whether Topco Investor Shares are a suitable investment in light of their own personal circumstances. Accordingly, IQGeo Shareholders are strongly recommended to seek their own independent financial, tax and legal advice in light of their own particular circumstances and investment objectives before deciding whether to elect for the Alternative Offer. Any decision to elect for the Alternative Offer should be based on independent financial, tax and legal advice and full consideration of this Announcement and the Scheme Document (when published).

## **5. Irrevocable undertakings and letters of intent**

In addition to the irrevocable undertakings given by the IQGeo Directors described above, Bidco has also received irrevocable undertakings from:

- Kestrel Partners to vote (or procure votes) (i) in favour of the Scheme at the Court Meeting and the IQGeo Resolution(s) at the General Meeting and (ii) against any competing proposal, in respect of 16,294,119 IQGeo Shares, representing approximately 26.4 per cent. of the ordinary share capital of IQGeo in issue as at the Latest Practicable Date. This irrevocable undertaking remains binding in the event a higher competing offer is made for IQGeo by a third party;
- Mr Raf Meersman to vote in favour of the Scheme at the Court Meeting and the IQGeo Resolution(s) at the General Meeting, in respect of 777,657 IQGeo Shares in total, representing approximately 1.3 per cent. of the ordinary share capital of IQGeo in issue as at the Latest Practicable Date. This irrevocable undertaking remains binding in the event a higher competing offer is made for IQGeo by a third party; and
- each of Herald Investment Management Limited and Mr Richard Terence Green to vote (or procure votes) in favour of the Scheme at the Court Meeting and the IQGeo Resolution(s) at the General Meeting, in respect of, in aggregate, 3,455,585 IQGeo Shares, representing approximately 5.6 per cent. of the ordinary share capital of IQGeo in issue as at the Latest Practicable Date.

In addition, Bidco has also received non-binding letters of intent from Canaccord Genuity Asset Management and Charles Stanley & Co Ltd to vote (or procure votes) in favour of the Scheme at the Court Meeting and the IQGeo Resolution(s) at the General Meeting, in respect of, in aggregate, 11,250,000 IQGeo Shares, representing approximately 18.2 per cent. of the ordinary share capital of IQGeo in issue as at the Latest Practicable Date.

Bidco has therefore received irrevocable undertakings and letters of intent in respect of a total of 35,939,542 IQGeo Shares representing, in aggregate, approximately 58.2 per cent. of IQGeo's ordinary share capital in issue as at the Latest Practicable Date.

Further details of these irrevocable undertakings and letters of intent, including the circumstances in which they may lapse, are set out in Appendix 3 to this Announcement.

## **6. Background to and reasons for the recommendation**

### *Background*

IQGeo was formed on 31 December 2018 after Ubisense Group plc disposed of its RTLS SmartSpace technology and repositioned to focus on the smaller software solutions part of the business. Since then, IQGeo has become one of the leading providers of geospatial software solutions to telecommunication and utility operators globally. Under the leadership of its current management team and through consistent strategic execution, IQGeo has delivered strong revenue growth whilst also driving operating leverage resulting in adjusted EBITDA and net income profitability in FY2022 and FY2023, respectively.

IQGeo's organic growth has been driven by product investment, innovation and exceptional sales performance to land and grow within enterprise telecom and utilities customers. A key pillar of growth has also been M&A. The acquisitions of OSPInsight and Comsof brought significant product and geographic diversity to the business, unlocking growth opportunities in smaller regional and private network operators, and cross-selling opportunities within enterprise accounts. IQGeo's success is reflected in its customer footprint, providing software solutions to over 500 telecoms and utilities operators globally.

The Board believes IQGeo's AIM listing has played a vital role in its development. IQGeo's shareholders have provided equity capital to support the acquisitions of OSPInsight and Comsof, and the operational and governance procedures required to be a constituent of AIM have provided an important framework for the sustainable growth of the business to date.

IQGeo has historically had access to sufficient capital to invest in organisational processes, product and platform to achieve strong financial returns. The market has supported the Company with strong share price performance over recent years, with the share price having increased more than 2.7x over the last two years as IQGeo has delivered on its growth and profitability targets.

The Board believes that IQGeo is now approaching a potential inflection point, with three key areas of additional investment likely to be required over the coming years to accelerate the capture of sizeable opportunities across telecom and utility end markets.

Firstly, whilst the historical growth achieved has been exciting, the Board believes that, in light of the increasing number of complex projects for large Tier-1 customers, the Company's lean operating structure creates execution risk. The Board believes that bringing forward long term

investments in people and operational processes may be necessary to sustain current commercial momentum and maintain operational and service excellence for its expanding customer base.

Secondly, the Board believes that positioning the business to capture the longer-term opportunity would require a step change in product and technology investment and an acceleration in IQGeo's transition to a predominantly recurring revenue model. The Board recognises IQGeo operates in a competitive market and delaying this investment could disadvantage IQGeo in the longer term against well-capitalised competitors.

Thirdly, the Board believes there is a significant opportunity to capitalise on acquisition opportunities of increasing scale as the business develops. This will require investment in establishing corporate development functions, which are currently undertaken by the CEO and CFO, as well as access to additional expertise and capital to compete effectively in a consolidating market.

Whilst the Board believes that IQGeo can continue to deliver on current short-term growth expectations without significantly expanding existing levels of investment in operational processes, people and research and development, this could increase execution risk and increased investment will be required over time to underpin medium and long-term growth expectations. This additional investment would result in a change in IQGeo's financial profile, introduce volatility in IQGeo's financial performance, and inevitably carries an element of risk.

The Board believes undertaking such investment as a listed company could be complex and would create market risk given the potential for shareholders to have differing views on capital allocation priorities and expectations for future financial performance. This could have negative implications for IQGeo's share price, especially in view of its strong recent rise and the very low levels of liquidity; any decision by a large shareholder to crystallise value at or around current levels could lead to downward pressure on the Company's share price.

The Board of IQGeo recognises Bidco's stated investment plans and intentions for IQGeo and believes that under Bidco's ownership, and through access to KKR's network and expertise, IQGeo would be better able to deliver on its strategy than would otherwise be achievable if IQGeo were to remain listed. The Board also believes that there is close cultural alignment between IQGeo and each of KKR's Global Impact and Technology Growth mandates and under Bidco's ownership, IQGeo could further accelerate its mission in supporting the global energy transition and to deliver digital equity globally.

### *Process*

Over the last two years, the Company has received numerous unsolicited approaches from parties potentially interested in acquiring it. Although the Board has had discussions with several such parties, none of them has put forward an offer that the Board would be prepared to recommend to shareholders.

In response to two credible and well-qualified approaches from interested parties in late 2023 and early 2024, the Board decided to undertake a competitive private sale process under the Takeover Code in order to establish whether there was a party prepared to make an offer to shareholders that the Board would be prepared to recommend. The Board commissioned Evercore to approach a carefully selected list of the best qualified candidates to participate in this process.

Having engaged with such parties over several months, including providing detailed information on the business under non-disclosure agreements, the Board concluded that the proposal from Bidco, which followed a period of extensive price negotiation, was the most attractive for shareholders, the most immediately deliverable and likely to be most advantageous for the business and its other stakeholders. Discussions with all other parties who have approached IQGeo in the past two years or were involved in the recent process have been terminated.

#### *Reasons for the recommendation*

Following careful consideration, the IQGeo Directors have concluded that the terms of the Cash Offer reflect the risk-adjusted fundamental valuation of IQGeo and its future prospects, and provide shareholders with an opportunity to realise certain value of their holdings today in cash.

The IQGeo Directors have taken all relevant factors into account in considering the terms of the Cash Offer, including:

- The opportunity for IQGeo Shareholders to realise a fair and reasonable value for their holdings in cash. In this context, the Board has considered the historic share price volatility of IQGeo and the low trading liquidity in its shares;
- The implied valuation represents attractive enterprise value multiples of approximately:
  - 14.9x IQGeo's Exit ARR of £21.3 million as at 31 December 2023;
  - 20.1x IQGeo's In-year Recurring Revenue of £15.7 million for FY2023;
  - 7.1x IQGeo's revenue of £44.5 million for FY2023;
  - 48.1x IQGeo's Adjusted EBITDA of £6.6 million for FY2023; and
  - 139.6x IQGeo's Adjusted EBITDAC of £2.3 million for FY2023.
- Certain value for shareholders at a premium of approximately:
  - 48 per cent. to the twelve-month volume weighted average price of 325 pence per IQGeo Share to 13 May 2024 (being the Latest Practicable Date);
  - 36 per cent. to the six-month volume weighted average price of 352 pence per IQGeo Share to the Latest Practicable Date; and
  - 19 per cent. to the Closing Price of 405 pence per IQGeo Share on the Latest Practicable Date.
- A return of:
  - 10.8x the Closing Price of 44.5 pence per IQGeo Share five years ago on 13 May 2019;

- 3.8x the issue price of 125 pence per IQGeo Share at which IQGeo undertook a placing to support the acquisition of Comsof on 12 August 2022; and
- 1.9x the Closing Price of 258 pence per IQGeo Share one year ago on 13 May 2023; and
- the certainty of the Cash Offer should be weighed against the risk associated with the delivery of future potential value and share price performance, with or without accelerated near term investment, particularly in the context of market and broader macroeconomic environment volatility.

In addition, the IQGeo Directors are pleased to note Bidco's stated intentions concerning IQGeo's strategy, growth plans, management and employees, and other stakeholders of IQGeo. The IQGeo Directors also welcome Bidco's confirmation that, following completion of the Acquisition, the existing employment rights, including pension rights, of the management and employees of IQGeo will be fully safeguarded. The IQGeo Directors are also pleased to note Bidco's conservative approach to leverage to focus cash generation on investment for the future.

Therefore, having taken into account all relevant factors, including those set out above as well as the results of the competitive private sale process set out above, the IQGeo Directors intend to recommend unanimously to IQGeo Shareholders the Acquisition of IQGeo by Bidco.

## **7. Information relating to IQGeo**

## **8. Information relating to KKR and Bidco**

KKR is a leading global investment firm that offers alternative asset management as well as capital markets and insurance solutions, with approximately US\$578 billion in assets under management as of Q1 2024. KKR aims to generate attractive investment returns by following

a patient and disciplined investment approach, employing world-class people, and supporting growth in its portfolio companies and communities.

KKR will invest in the Acquisition largely through KKR's Global Impact Fund II, a US\$2.8 billion fund dedicated to investing in companies whose products and services contribute measurable progress toward the United Nations Sustainable Development Goals, as well as through KKR's Next Generation Technology Growth Fund III, an approximately US\$3 billion fund dedicated to growth equity investment opportunities in the technology space.

KKR established the Global Impact Strategy in 2018 to take a focused and differentiated private equity investment approach, offering the potential for attractive risk-adjusted return opportunities in the global impact space. Seeking to leverage KKR's decades-long industry expertise, and its broad network of proprietary relationships, investment sourcing, asset selection and sustainability capabilities, the Global Impact Strategy takes a commercial-first approach that focuses on generating both attractive risk-adjusted returns and capitalising, building, and growing companies with measurable social and/or environmental impact.

In 2023, KKR closed its third Tech Growth Fund, Next Generation Technology Growth Fund III, a fund dedicated to growth equity investment opportunities in the technology space. KKR has established a proven track record of supporting technology-focused growth companies, having invested over US\$21.6 billion in related investments since 2014 and built a dedicated global team with deep technology growth equity expertise.

Bidco is a newly formed company wholly-owned by funds advised by Kohlberg Kravis Roberts & Co. L.P. and its affiliates.

## **9. Management, employees, pensions, research and development and locations**

### ***Bidco's strategic plans for IQGeo***

As set out in paragraph 3 of this Announcement, Bidco believes that the Acquisition represents an attractive opportunity to support IQGeo through the next phase of its growth.

Bidco is supportive of IQGeo's publicly stated strategy to continue its journey towards scaling into a significant global provider of geospatial software for network planning and operations across the telecom and utilities sectors. Bidco intends to provide access to its global network and operational expertise to support IQGeo's strategy under private ownership. Bidco believes that under its ownership, IQGeo will be able to enhance its future growth ambitions and deliver incremental value to stakeholders through investment in scaling organisational processes and new product development. Bidco also intends to support IQGeo's management in accelerating IQGeo's inorganic growth strategy.

Bidco confirms it has completed a period of confirmatory due diligence on IQGeo prior to the date of this Announcement. Bidco is supportive of the current business trajectory but would require incremental access to sufficiently detailed operational information and further analysis to formulate a strategy for IQGeo going forward. Following the Scheme becoming Effective, Bidco intends to conduct, together with the management team, a detailed review of IQGeo's business and operations, and expects to complete that review within approximately 12 months from the Effective Date. Bidco expects the review to include, among other topics:

- IQGeo's public company related functions;

- assessing the business' capabilities in place to continue to drive software revenue growth across both new and existing customers as part of IQGeo's envisaged transition towards a higher degree of recurring revenue;
- identifying the operational areas requiring further investment to be able to deliver on management's growth ambitions including, but not limited to, sales, customer support and corporate development;
- identifying areas to invest in to support the future product and R&D roadmap;
- evaluating customer opportunities to continue to scale in international markets; and
- identifying and executing acquisition opportunities to expand the current product offering, realising the large addressable market opportunities that IQGeo faces.

### ***Management and employees***

Bidco attaches great importance to the skills and experience of the IQGeo Group's management and employees. Bidco is looking forward to working with IQGeo's management team and employees to support the future development of IQGeo and to ensure that the business continues to thrive as a private company, thereby offering greater opportunities for IQGeo's staff, particularly in terms of activities that pertain to developing and expanding its position on a global basis.

Once IQGeo ceases to be a publicly-listed company, Bidco intends that some of the public company-related functions may be refocused to provide value-add activities in a growing private company to help realise the opportunity of the available addressable market. The majority of these functions are outsourced so Bidco does not intend there to be any material headcount reductions in such functions or otherwise following completion of the Acquisition. Bidco confirms that its intention is to seek to reassign individuals impacted where possible and it will comply with applicable law (including any information and consultation obligations) in connection with any headcount reductions.

In addition, and consistent with IQGeo's move to private ownership, some or all of the non-executive IQGeo Directors may also resign from their office as a director of IQGeo on or shortly after the Effective Date.

Other than as described above, Bidco's strategy is growth orientated and therefore does not expect or intend for the Acquisition to have any material impact on the continued employment or the balance of skills and functions of the management team and employees of the IQGeo Group.

### ***Existing employment rights and pension schemes***

Bidco confirms that, following completion of the Acquisition, it will safeguard the existing contractual and statutory employment rights, including pension rights, of the employees of the IQGeo Group in accordance with applicable law. Bidco does not intend to make any material change to the conditions of employment or the defined contribution pension arrangements operated by the IQGeo Group in respect of its employees in the United Kingdom (including with regard to the employer contributions, the accrual of benefits for existing members and the admission of new members) following completion of the Acquisition.

Bidco notes that IQGeo has no defined benefit pension arrangements in place and does not intend to make any change in this respect.

### ***Management incentivisation arrangements***

Bidco has not entered into, and has not discussed any form of, incentivisation arrangements with members of IQGeo's management. Bidco intends to discuss the adoption of appropriate incentivisation arrangements for the IQGeo management team following completion of the Acquisition.

### ***Locations, headquarters, fixed assets and research and development***

Bidco has no plans to change the locations of IQGeo's headquarters, headquarter functions (other than in relation to the refocussing of the public company-related functions as outlined above) or places of business, or to redeploy any fixed assets of IQGeo.

Bidco does not intend to make any changes to IQGeo's research and development functions, except for potential investments to strengthen these capabilities.

### ***Trading facilities***

The IQGeo Shares are currently admitted to trading on AIM and, as set out in paragraph 15 of this Announcement, it is intended that an application will be made to the London Stock Exchange to cancel the admission to trading of IQGeo Shares on AIM, with such cancellation expected to take effect shortly after the Effective Date. IQGeo will be re-registered as a private company following the Effective Date.

None of the statements in this paragraph 9 constitute "post-offer undertakings" for the purposes of Rule 19.5 of the Takeover Code.

## **10. IQGeo Share Plans**

Participants in the IQGeo Share Plans will be contacted regarding the effect of the Acquisition on their rights under the IQGeo Share Plans and, appropriate proposals, which reflect their rights under the IQGeo Share Plans will be made to such participants in due course.

The Acquisition will apply to any IQGeo Shares which are unconditionally allotted and issued to satisfy the exercise of options under the IQGeo Share Plans before the Scheme Record Time. Any IQGeo Shares allotted and issued to satisfy the exercise of options under the IQGeo Share Plans after the Scheme Record Time will, subject to the Scheme becoming Effective and the proposed amendments to the IQGeo Articles being approved at the General Meeting, be immediately transferred to Bidco in exchange for the same consideration as IQGeo Shareholders will be entitled to receive under the Scheme.

## **11. Financing**

The cash consideration payable by Bidco pursuant to the Acquisition will be funded by equity to be drawn from funds, vehicles and/or accounts advised and/or managed by KKR.

Rothschild & Co, as financial adviser to Bidco and KKR, is satisfied that sufficient resources are available to Bidco to enable it to satisfy in full the cash consideration payable under the terms of the Acquisition.

Further information on the financing of the Acquisition will be set out in the Scheme Document.

## 12. Offer-related arrangements

### *Confidentiality Agreement*

On 25 March 2024, Kohlberg Kravis Roberts & Co. Partners LLP and IQGeo entered into a confidentiality agreement (the "**Confidentiality Agreement**") in connection with the Acquisition, pursuant to which, amongst other things, Kohlberg Kravis Roberts & Co. Partners LLP has undertaken to keep confidential information relating to IQGeo and/or to the Acquisition and not to disclose it to third parties (with certain exceptions). These confidentiality obligations will remain in force until 25 March 2026.

The Confidentiality Agreement also contains undertakings from KKR that, for a period of nine months from the date of the Confidentiality Agreement, it shall not solicit or endeavour to entice away certain employees of IQGeo or the IQGeo Group.

The Confidentiality Agreement also contains standstill provisions which restricted Kohlberg Kravis Roberts & Co. Partners LLP from acquiring or seeking to acquire interests in the securities of IQGeo, with those restrictions ceasing to apply upon the release of this Announcement.

### *Co-operation Agreement*

On 14 May 2024, Bidco and IQGeo entered into a co-operation agreement ("**Co-operation Agreement**") in relation to the Acquisition. Pursuant to the Co-operation Agreement, amongst other things:

- Bidco has agreed to use all reasonable endeavours to obtain, and make any necessary filings in relation to, the regulatory clearances and authorisations necessary to satisfy the Conditions set out in paragraphs 3(a) to (d) of Part A of Appendix 1 to this Announcement as soon as reasonably practicable and in any event in sufficient time to enable the Effective Date to occur prior to the Long Stop Date, subject to certain customary carve-outs;
- the parties have agreed to (i) implement certain arrangements with respect to the IQGeo Share Plans; and (ii) certain provisions if the Acquisition should switch to a Takeover Offer; and
- Bidco has also agreed to provide IQGeo with certain information for the purposes of the Scheme Document and to otherwise assist with the preparation of the Scheme Document.

The Co-operation Agreement shall terminate, amongst other things:

- if agreed in writing between Bidco and IQGeo, at any time prior to the Effective Date;
- upon written notice served by Bidco to IQGeo if (i) prior to the Long Stop Date, a third party announces a firm intention to make an offer or revised offer (whether or not subject to the satisfaction or waiver of any pre-conditions) for IQGeo, which is

recommended, in whole or in part, by the IQGeo Directors and/or (ii) the IQGeo Director's recommendation in respect of the Acquisition changes in a manner that is adverse in the context of the Acquisition;

- upon written notice by either Bidco or IQGeo to the other if: (i) prior to the Long Stop Date, any Condition has been invoked by Bidco (where the invocation of the relevant Condition is permitted by the Panel); (ii) prior to the Long Stop Date, a third party announces a firm intention to make an offer or revised offer (whether or not subject to the satisfaction or waiver of any pre-conditions) for IQGeo, which completes, becomes effective or is declared or becomes unconditional; and/or (iii) where the Acquisition is being implemented by a Scheme, if the Scheme is not approved by the requisite majority of the holders of Scheme Shares at the Court Meeting and/or requisite majority of the IQGeo Shareholders do not pass the resolutions at the IQGeo General Meeting necessary to approve, implement and effect the Scheme, or the Court refuses to sanction the Scheme;
- if the Acquisition (whether implemented by way of the Scheme or the Takeover Offer) is withdrawn, terminated or lapses in accordance with its terms prior to the Long Stop Date and, where required, with the consent of the Panel, unless such withdrawal, termination or lapse: (i) is as a result of a switch to a Takeover Offer; or (ii) is to be followed, within five Business Days (or such other date as Bidco and IQGeo may agree in writing), by a firm intention announcement (under Rule 2.7 of the Code) made by Bidco or any person acting in concert with Bidco to implement the Acquisition by a different offer, scheme or other structure provided that, unless otherwise agreed in writing between Bidco and IQGeo: (A) the cash price per IQGeo Share is no less than stated in this Announcement; and (B) the exchange ratio in respect of the Alternative Offer is no less than stated in this Announcement and the terms of the Alternative Offer set out in Appendix 4 to this Announcement are substantially the same (or more favourable terms apply);
- the Court Meeting and/or the IQGeo General Meeting are not held on or before the 22nd day after the expected date for each such meeting as set out in the Scheme Document, or such later date agreed in writing between Bidco and IQGeo with the consent of the Panel and the approval of the Court (if required), except where such date is missed for logistical or practical reasons outside of IQGeo's control;
- unless otherwise agreed by the parties in writing or required by the Panel, if the Effective Date has not occurred by the Long Stop Date; and
- on the Effective Date.

### 13. **Alternative Offer**

#### **Terms of the Alternative Offer**

Under the Alternative Offer, Eligible IQGeo Shareholders may elect, in respect of all (but not part only) of their IQGeo Shares, to receive, in lieu of the Cash Offer to which they are otherwise entitled:

**for each IQGeo Share:**

**0.1 Topco Investor Share**

The number of Topco Investor Shares due to each IQGeo Shareholder who has made a valid election under the Alternative Offer will be rounded down to the nearest whole number of Topco Investor Shares. Fractional entitlements to Topco Investor Shares will not be allotted or issued to such IQGeo Shareholder and will be disregarded.

Accordingly, by way of example, if an IQGeo Shareholder with 1,000 IQGeo Shares validly elects to receive the Alternative Offer, it will be entitled to receive 100 Topco Investor Shares.

The maximum number of Topco Investor Shares available to the IQGeo Shareholders under the Alternative Offer will be limited to the equivalent of 30 per cent. of the total share capital of Topco in issue immediately following the issue of the Topco Offer Shares (as defined below) (the "**Alternative Offer Maximum**").

If valid elections are received from Eligible IQGeo Shareholders in respect of a number of IQGeo Shares that would require the issue of Topco Investor Shares exceeding the Alternative Offer Maximum, such elections will be unable to be satisfied in full. In these circumstances, the entitlement to Topco Investor Shares of each IQGeo Shareholder who has made a valid election will be reduced on a *pro rata* basis and rounded down to the nearest whole number, and the balance of the consideration due to such IQGeo Shareholder will be paid in cash in accordance with the terms of the Cash Offer.

The availability of the Alternative Offer is conditional upon valid elections being made in respect of such number of IQGeo Shares as represent at least 15 per cent. of the IQGeo Shares in issue at the Scheme Record Time, failing which it will lapse. In these circumstances, no Topco Investor Shares will be issued and the consideration payable in respect of each IQGeo Share will be settled entirely in cash in accordance with the terms of the Cash Offer.

Eligible IQGeo Shareholders who elect for the Alternative Offer will, pursuant to a power of attorney to be included in the Form of Election and/or the Scheme, deliver a fully executed deed of adherence pursuant to which they will be bound by the Topco Shareholders' Agreement.

IQGeo Shareholders who do not validly elect for the Alternative Offer will automatically receive the full amount of the Cash Offer for their entire holding of IQGeo Shares.

For the purposes of Rule 24.11 of the Code, Rothschild & Co, as financial adviser to Bidco, will provide an estimate of the value of a Topco Investor Share, together with the assumptions, qualifications and caveats forming the basis of its estimate of value, in a letter to be included in the Scheme Document.

The issue of any Topco Investor Shares pursuant to the Alternative Offer will be in accordance with the mechanism referred to in paragraph 14 of this Announcement and subject to the Conditions and further terms set out in Appendix 1 to this Announcement and to be set out in the Scheme Document. A summary of the principal rights of the Topco Investor Shares is set out below and in Appendix 4 to this Announcement, and further details will be included in the Scheme Document, the Topco Shareholders' Agreement and the Topco Articles.

### **Topco Investor Shares**

The Topco Investor Shares to be issued to Eligible IQGeo Shareholders who validly elect for the Alternative Offer will be issued credited as fully paid and will rank *pari passu* in all respects

with the Topco Sponsor Shares, including the rights to vote at general meetings and to receive and retain dividends and other distributions declared, made or paid by reference to a record date falling on or after the date of issue of the Topco Investor Shares.

### **Topco share capital as a result of the Acquisition**

On or around the Effective Date, Topco will, subject to the terms and conditions of the Alternative Offer, issue (i) Topco Investor Shares to those IQGeo Shareholders who have validly elected to receive the Alternative Offer and (ii) Topco Sponsor Shares and Topco Redeemable Shares to KKR Investor (such Topco Investor Shares, Topco Sponsor Shares and Topco Redeemable Shares, together with any Topco Shares already issued to KKR Investor prior to the Effective Date, the "**Topco Offer Shares**"). The Topco Sponsor Shares and Topco Redeemable Shares to be issued on or around the Effective Date will be issued at an equivalent value to that of the Topco Investor Shares.

The Topco Sponsor Shares and the Topco Investor Shares will comprise 61 per cent. and up to 30 per cent. respectively of the Topco Offer Shares, with the balance comprised of Topco Redeemable Shares, provided always that the number of Topco Redeemable Shares in issue will not exceed the Topco Redeemable Share Maximum. Any Topco Redeemable Shares which would cause the total number of Topco Redeemable Shares in issue to exceed the Topco Redeemable Share Maximum will instead be issued as Topco Sponsor Shares.

On that basis, and for illustrative purposes only, in the event the Alternative Offer is taken up in full by Eligible IQGeo Shareholders, based on Bidco's current estimate of fees, costs and expenses payable in respect of the Acquisition and assuming the number of IQGeo Shares issued pursuant to the IQGeo Share Plans prior to the Effective Date is the maximum number set out in paragraph 2(b) of Appendix 2 to this Announcement, Topco would, on or around the Effective Date and subject to the terms and conditions of the Alternative Offer, have in issue around (inclusive of any Topco Shares already issued to KKR Investor prior to the Effective Date):

- 4,534,271 Topco Sponsor Shares and 668,990 Topco Redeemable Shares issued to KKR Investor to fund the cash consideration payable under the Acquisition and fees, costs and expenses payable in respect of the Acquisition; and
- 2,229,969 Topco Investor Shares issued to those IQGeo Shareholders who validly elect to receive the Alternative Offer.

If, however, the Alternative Offer were accepted in respect of less than the Alternative Offer Maximum, the number of Topco Investor Shares would be reduced accordingly, and the balance of the Topco Offer Shares will instead be issued in the form of (i) additional Topco Redeemable Shares up to the Topco Redeemable Share Maximum; and (ii) additional Topco Sponsor Shares (for the balance).

### **Topco Redeemable Shares and re-financing**

The Topco Redeemable Shares are a temporary instrument in the Topco capital structure. They will accrue interest from issuance at a floating rate of SONIA plus 2.05 per cent. per year (the "**Yield**") and will rank senior to the Topco Ordinary Shares for any dividend or other distribution (including on a winding up). They will be redeemable by Topco at a redemption

price equal to the sum of (i) the Topco Redeemable Share Subscription Amount and (ii) the accrued Yield. The Topco Redeemable Shares will carry voting rights.

It is intended that, within 90 days following the Effective Date, Topco will re-finance the Topco Redeemable Shares. This refinancing is currently expected to be effected by way of an issue of additional Topco Ordinary Shares but could be effected through the issue of a different instrument.

If the re-financing is effected by means of the issue of additional Topco Ordinary Shares, the number of Topco Ordinary Shares to be issued will be equal to the number of Topco Redeemable Shares in issue at the date of the re-financing, at a subscription price per Topco Ordinary Share equal to the sum of (i) the Topco Redeemable Share Subscription Amount; and (ii) the Yield accrued on each Topco Redeemable Share at the time of the re-financing. All Topco Ordinary Shareholders will be entitled to participate on a *pro rata* pre-emptive basis in proportion to their holdings of Topco Ordinary Shares (with an ability to subscribe for any excess amount not taken up by other Topco Ordinary Shareholders). KKR Investor would expect to participate in any such pre-emptive issue for at least its *pro rata* entitlement. The proceeds from any such issue would be applied by Topco to redeem the Topco Redeemable Shares.

If any of the Topco Redeemable Shares are not redeemed at the end of the period of 90 days following the Effective Date, KKR Investor shall be entitled, within 30 days thereafter, to exchange all Topco Redeemable Shares in issue at that time for an equal number of Topco Ordinary Shares. Such exchange of Topco Redeemable Shares for Topco Ordinary Shares will not be subject to pre-emption rights in favour of the other Topco Ordinary Shareholders.

### **Risk factors and other investment considerations**

A summary of the key rights attaching the Topco Investor Shares is set out in Appendix 4 to this Announcement and further details will be set out in the Scheme Document, the Topco Shareholders' Agreement and the Topco Articles.

The attention of Eligible IQGeo Shareholders who may be considering electing for the Alternative Offer is drawn to certain risk factors and other investment considerations relevant to such an election. These will be set out in full in the Scheme Document and include, *inter alia*, the following:

- following the Effective Date, the Topco Group will be controlled by KKR Investor. Qualified Investor Shareholders (but not any other Investor Shareholder) will have consent rights only in respect of a limited number of reserved matters. Investor Shareholders (and, in particular, Investor Shareholders that are not Qualified Investor Shareholders) will therefore have limited or no influence over decisions made by Topco in relation to its investment in IQGeo or in any other business;
- the Topco Investor Shares are unquoted. There is no current expectation that they will be listed or admitted to trading on any exchange or market for the trading of securities, and they will therefore be illiquid;
- the Topco Investor Shares will not be transferrable (save with the prior consent of KKR Investor or pursuant to the drag and tag rights);

- the value of the Topco Investor Shares will be uncertain and there can be no assurance that any such securities will be capable of being sold in the future or that they will be capable of being sold at the value to be estimated by Rothschild & Co in the Scheme Document;
- dividend, other distribution or return of capital in respect of Topco Investor Shares will not be guaranteed or secured;
- further issues of securities by Topco (including any equity re-financing of the Topco Redeemable Shares) may occur. Any further issues of equity share capital to KKR Investor will be subject to pre-emption rights in favour of all Topco Ordinary Shareholders (including those held by Investor Shareholders), subject to customary exceptions;
- in relation to any such further issues of equity securities (other than any equity re-financing of the Topco Redeemable Shares), if Investor Shareholders wish to avoid their percentage interest in Topco being reduced by any such issue, they will need to invest further cash sums in Topco. In particular, Investor Shareholders who do not elect to exercise their pre-emption rights by investing the necessary cash sums in respect of such further issues of equity securities by Topco could suffer significant dilution in their percentage ownership of Topco;
- the right of Investor Shareholders to participate in future issues of equity securities by Topco will also be subject to other customary and important exceptions. For example, Investor Shareholders will not be entitled to participate in any issues of equity securities (i) in connection with a management incentive plan; (ii) as consideration for any acquisition or business combination; or (ii) as "equity kickers" to providers of debt financing;
- if Bidco introduces one or more management incentive plans for actual or potential employees, directors, officers and consultants of the Topco Group after the Effective Date that provides participants with an interest in securities in the Topco Group, such issue(s) could potentially significantly dilute the interest of the Investor Shareholders. In addition, the Topco Group may not receive material cash sums as consideration for the issue of any such securities and the returns on any such securities may be structured to increase their proportionate interest in Topco Group if it increases in value (whether pursuant to a ratchet mechanism or otherwise); and
- the precise numbers of securities that may be issued by Topco from time to time cannot be ascertained at the date of this Announcement and will depend on a variety of factors including those described above.

**The Alternative Offer is not being offered, sold or delivered, directly or indirectly, in or into any Restricted Jurisdiction and individual acceptances of the Alternative Offer will only be valid if all regulatory approvals required by an IQGeo Shareholder to acquire the Topco Investor Shares have been obtained.**

**In addition, Eligible IQGeo Shareholders who elect for the Alternative Offer will be required to provide certain "Know Your Client" information as requested by Bidco and KKR.**

## 14. Structure of the Acquisition

### Structure and mechanism

It is intended that the Acquisition will be implemented by means of a Court-approved scheme of arrangement between IQGeo and the Scheme Shareholders under Part 26 of the Companies Act. Bidco reserves the right to elect to effect the Acquisition by way of a Takeover Offer (subject to the consent of the Panel (where necessary) and the terms of the Co-operation Agreement).

The purpose of the Scheme is to provide for Bidco to become the holder of the entire issued and to be issued ordinary share capital of IQGeo. This is to be achieved by the transfer of the Scheme Shares to Bidco, in consideration for which:

- Scheme Shareholders who have not elected for the Alternative Offer will receive 480 pence for each Scheme Share held at the Scheme Record Time; and
- IQGeo Shareholders who have made a valid election for the Alternative Offer will receive 0.1 Topco Investor Share for each Scheme Share held at the Scheme Record Time on the basis set out in paragraph 13 of this Announcement,

in each case to be effected pursuant to the Scheme.

The cash consideration payable under the Cash Offer will be despatched to IQGeo Shareholders within 14 days of the Effective Date.

Eligible IQGeo Shareholders that validly elect for the Alternative Offer will receive their Topco Investor Shares pursuant to a mechanism in the Scheme whereby on or shortly following the Effective Date (and in any case within 14 days of the Effective Date) they will receive loan notes (or other instruments) to be issued by Bidco which may then be exchanged, directly or indirectly, for the relevant number of Topco Investor Shares that the Eligible IQGeo Shareholders are entitled to in accordance with the terms of the Alternative Offer.

### Conditions to the Acquisition

The Acquisition is subject to the Conditions, certain further terms referred to in Appendix 1 to this Announcement and the full terms and conditions to be set out in the Scheme Document, and will only become Effective if, among other things, the following events occur on or before the Long Stop Date:

- a resolution to approve the Scheme is passed by a majority in number of the Scheme Shareholders present and voting (and entitled to vote) at the Court Meeting, either in person or by proxy, representing at least 75 per cent. in value of the Scheme Shares voted by those Scheme Shareholders;
- the IQGeo Resolution(s) required to implement the Scheme are duly passed by IQGeo Shareholders at the General Meeting (which will require approval of IQGeo Shareholders representing at least 75 per cent. of the votes validly cast at such General Meeting, either in person or by proxy);

- following the Court Meeting and the General Meeting, the Scheme is sanctioned by the Court (without modification, or with modification on terms agreed by Bidco and IQGeo); and
- following such sanction, a copy of the Court Order is delivered to the Registrar of Companies.

The Conditions in paragraph 2 of Part A of Appendix 1 to this Announcement provide that the Scheme will lapse if:

- the Court Meeting and the General Meeting are not held on or before the 22<sup>nd</sup> day after the expected date of such meetings to be set out in the Scheme Document in due course (or such later date, if any, (a) as Bidco and IQGeo may agree or (b) (in a competitive situation) as may be specified by Bidco with the consent of the Panel, and in each case that (if so required) the Court may allow);
- the Court hearing to sanction the Scheme is not held on or before the 22<sup>nd</sup> day after the expected date of such hearing to be set out in the Scheme Document in due course (or such later date, if any, (a) as Bidco and IQGeo may agree or (b) (in a competitive situation) as may be specified by Bidco with the consent of the Panel, and in each case that (if so required) the Court may allow); or
- the Scheme does not become Effective on or before the Long Stop Date (or such later date, if any, (a) as Bidco and IQGeo may agree or (b) (in a competitive situation) as may be specified by Bidco with the consent of the Panel, and in each case that (if so required) the Court may allow).

The Acquisition will also be conditional upon the receipt of antitrust clearance in Cyprus as well as regulatory clearances (or the expiry of relevant waiting periods) in Belgium, Germany and the UK.

### **Effect of the Scheme and publication of the Scheme Document**

Subject to the satisfaction (or, where applicable, waiver) of the Conditions and the further terms set out in Appendix 1 to this Announcement, the Scheme is expected to become Effective in Q4 2024.

Upon the Scheme becoming Effective: (i) it will be binding on all Scheme Shareholders, irrespective of whether or not they attended or voted at the Court Meeting or the General Meeting (and if they attended and voted, whether or not they voted in favour); and (ii) entitlements to IQGeo Shares held within the CREST system will be cancelled; and (iii) share certificates in respect of IQGeo Shares will cease to be valid.

Any IQGeo Shares issued before the Scheme Record Time will be subject to the terms of the Scheme. The IQGeo Resolution(s) at the General Meeting will, amongst other matters, provide that the IQGeo Articles be amended to incorporate provisions requiring any IQGeo Shares issued after the Scheme Record Time (other than to Bidco and/or its nominees) to be automatically transferred to Bidco (and, where applicable, for the cash consideration to be paid to the original recipient of the IQGeo Shares so issued) on the same terms as the Cash Offer (other than terms as to timings and formalities). The provisions of the IQGeo Articles (as

amended) will avoid any person (other than Bidco and its nominees) holding shares in the capital of IQGeo after the Effective Date.

Further details of the Scheme, including expected times and dates for each of the Court Meeting, the General Meeting and the Court hearing to sanction the Scheme, together with notices of the Court Meeting and General Meeting, will be set out in the Scheme Document, which, together with the associated Forms of Proxy and Form of Election, will be made available to IQGeo Shareholders as soon as reasonably practicable, and in any event within 28 days of this Announcement (unless the Panel consents to a later date), and the meetings are expected to be held shortly thereafter. The General Meeting is expected to be held immediately after the Court Meeting.

The Scheme will be governed by English law and is subject to the jurisdiction of the Court. The Scheme will also be subject to the applicable requirements of the Takeover Code, the Panel, the London Stock Exchange (including the AIM Rules) and the Financial Conduct Authority.

#### **15. De-listing and re-registration**

It is intended that an application will be made to the London Stock Exchange to cancel the admission to trading in IQGeo Shares on AIM, with such cancellation expected to take effect shortly after the Effective Date. The last day of dealings in, and registration of transfers of, IQGeo Shares on AIM is expected to be the date of the Court hearing to sanction the Scheme and no transfers will be registered after 6.00 pm (London time) on that date.

On the Effective Date, share certificates in respect of IQGeo Shares will cease to be valid and entitlements to IQGeo Shares held within the CREST system will be cancelled. IQGeo Shareholders shall be required to return share certificates to IQGeo or destroy them following the Effective Date.

It is also proposed that, following the Effective Date and after its shares are delisted, IQGeo will be re-registered as a private limited company under the relevant provisions of the Companies Act.

#### **16. Disclosure of interests in IQGeo**

As at the close of business on the Latest Practicable Date, save for the irrevocable undertakings and letters of intent referred to in paragraph 5 of this Announcement, neither Bidco, nor any of its directors, nor, so far as Bidco is aware, any person acting in concert (within the meaning of the Takeover Code) with any of them for the purposes of the Acquisition had:

- (i) any interest in or right to subscribe for any relevant securities of IQGeo;
- (ii) any short positions in respect of relevant securities of IQGeo (whether conditional or absolute and whether in the money or otherwise), including any short position under a derivative, any agreement to sell or any delivery obligation or right to require another person to purchase or take delivery;
- (iii) borrowed or lent any relevant securities of IQGeo (including, for these purposes, any financial collateral arrangements of the kind referred to in Note 4 on Rule 4.6 of the Takeover Code), save for any borrowed relevant securities of IQGeo which had been either on-lent or sold; or

- (iv) entered into any dealing arrangement of the kind referred to in Note 11 on the definition of acting in concert in the Takeover Code.

"**Interests in securities**" for these purposes arise, in summary, when a person has long economic exposure, whether absolute or conditional, to changes in the price of securities (and a person who only has a short position in securities is not treated as interested in those securities). In particular, a person will be treated as having an 'interest' by virtue of the ownership, voting rights or control of securities, or by virtue of any agreement to purchase, option in respect of, or derivative referenced to, securities.

It has not been possible for Bidco to make enquiries of all of its concert parties in advance of the release of this Announcement. Therefore, if Bidco becomes aware, following the making of such enquiries, that any of its concert parties have any interests in relevant securities of IQGeo, all relevant details in respect of Bidco's concert parties will be included in the Opening Position Disclosure in accordance with Rule 8.1(a) and Note 2(a)(i) on Rule 8 of the Takeover Code.

## 17. **General**

Bidco reserves the right to elect (with the consent of the Panel (where necessary), and subject to the terms of the Co-operation Agreement) to implement the Acquisition by way of a Takeover Offer for the entire issued and to be issued ordinary share capital of IQGeo as an alternative to the Scheme. In such event, the Acquisition will be implemented on substantially the same terms, so far as applicable, as those which would apply to the Scheme, subject to appropriate amendments to reflect, among other things, the change in method effecting the Acquisition (including, without limitation) inclusion of an acceptance condition set at not more than 75 per cent. of the IQGeo Shares (unless with the consent of IQGeo or required by the Panel) where the election to proceed by way of a Takeover Offer is an agreed switch under the terms of the Co-operation Agreement and otherwise set at 90 per cent. of the IQGeo Shares to which the Takeover Offer relates (or such lesser percentage as Bidco may decide after, to the extent necessary, consultation with the Panel, being in any case more than 50 per cent. of the IQGeo Shares), the inclusion of a long-stop date on which the Takeover Offer will cease to proceed, will lapse or will be withdrawn in certain circumstances, and those amendments required by, or deemed appropriate by, Bidco under applicable law.

The Acquisition will be subject to the Conditions and further terms set out in Appendix 1 to this Announcement and the full terms and conditions to be set out in the Scheme Document in due course. The sources and bases of certain financial information contained in this Announcement are set out in Appendix 2 to this Announcement. A summary of the irrevocable undertakings and letters of intent given in relation to the Acquisition is contained in Appendix 3 to this Announcement. The details of Topco, the Topco Investor Shares and eligibility to subscribe for the Topco Investor Shares are contained in Appendix 4 to this Announcement. Certain terms used in this Announcement are defined in Appendix 5 to this Announcement.

Rothschild & Co, Evercore and Cavendish have each given and not withdrawn their consent to the inclusion in this Announcement of the references to their names in the form and context in which they appear.

This Announcement does not constitute an offer or an invitation to purchase or subscribe for any securities. Such offer will be contained in the Scheme Document. IQGeo Shareholders are

advised to read carefully the Scheme Document and associated Forms of Proxy and Form of Election once they have been dispatched.

The availability of the Acquisition (including the Alternative Offer) to IQGeo Shareholders who are not resident in and citizens of the United Kingdom may be affected by the laws of the relevant jurisdictions in which they are located or of which they are citizens. Persons who are not resident in the United Kingdom should inform themselves of, and observe, any applicable legal or regulatory requirements of their jurisdictions. IQGeo Shareholders who are in any doubt regarding such matters should consult an appropriate independent professional adviser in the relevant jurisdiction without delay.

### ***Additional information for US investors***

*The Acquisition relates to the shares of an English company and is being made by means of a scheme of arrangement provided for under English company law. A transaction effected by means of a scheme of arrangement is not subject to the tender offer or proxy solicitation rules under the US Exchange Act. Accordingly, the Acquisition is subject to the disclosure*

*requirements and practices applicable in the United Kingdom to schemes of arrangement which differ from the disclosure requirements of the US tender offer and proxy solicitation rules.*

*If, in the future, Bidco exercises its right to implement the Acquisition by way of a Takeover Offer, which is to be made into the US, such Takeover Offer will be made in compliance with the applicable US laws and regulations, including Section 14(e) and Regulation 14E under the US Exchange Act. Such a Takeover Offer would be made in the US by Bidco and no one else.*

*In the event that the Acquisition is implemented by way of Takeover Offer, in compliance with applicable UK laws, Bidco, its dealer manager (and their advisers or affiliates), or its nominees, or its brokers (acting as agents), may from time to time make certain purchases of, or arrangements to purchase, shares or other securities of IQGeo other than pursuant to such Takeover Offer during the period in which such Takeover Offer would remain open for acceptance. These purchases may occur either in the open market at prevailing prices or in private transactions at negotiated prices. Any information about such purchases or arrangements to purchase shall be disclosed as required under UK laws, shall be reported to a Regulatory Information Service and shall be available on the London Stock Exchange website at [www.londonstockexchange.com](http://www.londonstockexchange.com). US holders of IQGeo Shares may not be able to sue a non-US company or its officers or directors in a non-US court for violations of the US securities laws. Further, it may be difficult to compel a non-US company and its affiliates to subject themselves to a US court's judgement.*

*The Topco Investor Shares to be issued under the Alternative Offer have not been registered under the US Securities Act or under any laws or with any securities regulatory authority of any state, district or other jurisdiction, of the US and will not be listed on any stock exchange in the US. *The financial information included in this Announcement, or that may be included in the Scheme Document, has been prepared in accordance with accounting standards applicable in the United Kingdom and thus may not be comparable to financial information of US companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the US ("US GAAP"). US GAAP differs in certain significant respects from accounting standards applicable in the United Kingdom. ## **PART B: FURTHER TERMS OF THE ACQUISITION**

1. The Conditions set out in paragraphs 2(a), 2(b) and 3(a) to (m) (inclusive) of Part A above must each be fulfilled, determined by Bidco to be or to remain satisfied or (if capable of waiver) be waived by Bidco prior to the commencement of the Court hearing to sanction the Scheme, failing which the Scheme will lapse.
2. Notwithstanding the paragraph above, subject to the requirements of the Panel and the Takeover Code, Bidco reserves the right in its sole discretion to waive:
  - (a) the deadlines set out in paragraph 1 of Part A above, and any of the deadlines set out in paragraph 2 of Part A above for the timing of the Court Meeting, the General Meeting and/or the Court hearing to sanction the Scheme. If any such deadline is not met, Bidco will make an announcement by 8.00 am on the Business Day following such deadline confirming whether it has invoked or waived the relevant Condition or agreed with IQGeo to extend the deadline in relation to the relevant Condition. For the avoidance of doubt, the Conditions set out in paragraphs 2(a)(i), 2(b)(i) and 2(c)(i) of Part A above cannot be waived; and
  - (b) in whole or in part, all or any of the above Conditions set out in paragraphs 3(a) to (m) (inclusive) of Part A above.
3. Bidco shall be under no obligation to waive or treat as satisfied any of the Conditions that it is entitled (with the consent of the Panel and subject to the requirements of the Takeover Code) to waive, by a date earlier than the latest date specified above for the fulfilment or waiver thereof, notwithstanding that the other Conditions may at such earlier date have been waived or fulfilled and that there are at such earlier date no circumstances indicating that any of such Conditions may not be capable of fulfilment.
4. If Bidco is required by the Panel to make an offer for IQGeo Shares under the provisions of Rule 9 of the Takeover Code, Bidco may make such alterations to any of the above Conditions and terms of the Acquisition as are necessary to comply with the provisions of Rule 9.
5. Under Rule 13.5(a) of the Takeover Code, Bidco may only invoke a Condition that is subject to Rule 13.5(a) of the Takeover Code so as to cause the Acquisition not to proceed, to lapse or to be withdrawn with the consent of the Panel and any Condition that is subject to Rule 13.5(a) of the Takeover Code may be waived by Bidco. The Panel will normally only give its consent if the circumstances which give rise to the right to invoke the Condition are of material significance to Bidco in the context of the Acquisition. This will be judged by reference to the facts of each case at the time that the relevant circumstances arise.
6. Conditions 1, 2(a), 2(b) and 2(c) of Part A above and, if applicable, any acceptance condition if the Acquisition is implemented by means of a Takeover Offer, are not subject to Rule 13.5(a) of the Takeover Code.
7. The IQGeo Shares to be acquired under the Acquisition will be acquired with full title guarantee, fully paid and free from all liens, equities, charges, encumbrances, options, rights of pre-emption and any other third party rights and interests of any nature and

together with all rights now or hereafter attaching or accruing to them, including, without limitation, voting rights and the right to receive and retain in full all dividends and other distributions and any return of capital (whether by reduction of share capital or share premium account or otherwise) declared, made, paid or becoming payable by reference to a record date falling on or after the Effective Date (other than any dividend, distribution or return of capital in respect of which a corresponding reduction in the consideration payable under the terms of the Acquisition has been made as described in paragraph 8 below).

8. Subject to the terms of the Acquisition, if, on or after the date of this Announcement and on or prior to the Effective Date, any dividend and/or other distribution and/or return of capital is authorised, declared, made or paid or becomes payable in respect of IQGeo Shares, Bidco reserves the right to reduce the cash consideration payable under the Cash Offer (and, as the case may be, the consideration payable under the Alternative Offer) under the terms of the Acquisition by an amount equal to all or part of any such dividend and/or other distribution and/or return of capital, in which case: (a) any reference in this Announcement or in the Scheme Document to the Cash Offer or the Alternative Offer for the IQGeo Shares will be deemed to be a reference to, respectively, the Cash Offer or the Alternative Offer as so reduced; and (b) the relevant Eligible IQGeo Shareholders will be entitled to receive and retain any such dividend and/or other distribution and/or return of capital authorised, declared, made or paid. To the extent that any such dividend, distribution or return of capital is authorised, declared, made or paid or becomes payable: (x) pursuant to the Acquisition on a basis which entitles Bidco to receive the dividend or distribution or return of capital and to retain it; or (y) is subsequently cancelled, the Cash Offer and the Alternative Offer will not be subject to change in accordance with this paragraph. Any exercise by Bidco of its rights referred to in this paragraph shall be the subject of an announcement and, for the avoidance of doubt, shall not be regarded as constituting any revision or variation of the Acquisition.
9. Bidco reserves the right to elect (with the consent of the Panel (where necessary) and subject to the terms of the Co-operation Agreement) to implement the Acquisition by way of a Takeover Offer as an alternative to the Scheme. In such event, the offer will be implemented on substantially the same terms subject to appropriate amendments, including, without limitation, an acceptance condition set at not more than 75 per cent. of the IQGeo Shares (unless with the consent of IQGeo or required by the Panel) where the election to proceed by way of a Takeover Offer is an agreed switch under the terms of the Co-operation Agreement and otherwise set at 90 per cent. of the IQGeo Shares to which the Takeover Offer relates (or such lesser percentage as Bidco may decide after, to the extent necessary, consultation with the Panel, being in any case more than 50 per cent. of the IQGeo Shares), so far as applicable, as those which would apply to the Scheme. Further, if sufficient acceptances of such Takeover Offer are received and/or sufficient IQGeo Shares are otherwise acquired, it is the intention of Bidco to apply the provisions of the Companies Act to acquire compulsorily any outstanding IQGeo Shares to which such Takeover Offer relates.
10. The availability of the Acquisition (including the Alternative Offer) to persons not resident in the United Kingdom may be affected by the laws of the relevant jurisdictions. Persons who are not resident in the United Kingdom should inform themselves about and observe any applicable legal and regulatory requirements.

11. The Acquisition (including the Alternative Offer) is not being made, directly or indirectly, in, into or from, or by use of the mails of, or by any means of instrumentality (including, but not limited to, facsimile, e-mail or other electronic transmission, telex or telephone) of interstate or foreign commerce of, or of any facility of a national, state or other securities exchange of, any Restricted Jurisdiction.
12. The Scheme will be governed by English law and is subject to the jurisdiction of the Court and to the Conditions and further terms set out in this Appendix 1 to this Announcement, and to the full terms and Conditions to be set out in the Scheme Document. The Acquisition will be subject to the applicable requirements of the Takeover Code, the Panel, the London Stock Exchange (including the AIM Rules) and the FCA.
13. Each of the Conditions will be regarded as a separate Condition and will not be limited by reference to any other Condition.

## **APPENDIX 4**

### **DETAILS ON TOPCO AND TOPCO INVESTOR SHARES**

#### **1. Information on Topco**

Topco will be incorporated under the laws of England and Wales prior to the publication of the Scheme Document. Topco will initially be incorporated with one (or minimal) ordinary share(s) directly or indirectly wholly owned by KKR Investor. Bidco will become a direct or indirect wholly-owned subsidiary company of Topco (once incorporated).

Set out below is a summary of the proposed Topco share capital structure and the intended principal provisions of the Topco Shareholders' Agreement and the Topco Articles governing the terms on which all Topco shareholders, including KKR Investor and Investor Shareholders, will hold securities in Topco, further details on which will be included in the Scheme Document. The Topco Shareholders' Agreement and the Topco Articles will be finalised and made publicly available when the Scheme Document is published. IQGeo Shareholders who wish to elect for the Alternative Offer are encouraged to read the Topco Shareholders' Agreement, the Topco Articles and the Scheme Document, when published.

#### **2. Information on Topco share capital**

On or around the Effective Date, Topco will, subject to the terms and conditions of the Alternative Offer, issue (i) Topco Investor Shares to those IQGeo Shareholders who have validly elected to receive the Alternative Offer and (ii) Topco Sponsor Shares and Topco Redeemable Shares to KKR Investor (such Topco Investor Shares, Topco Sponsor Shares and Topco Redeemable Shares, together with any Topco Shares already issued to KKR Investor prior to the Effective Date, the "**Topco Offer Shares**"). The Topco Sponsor Shares and Topco Redeemable Shares to be issued on or around the Effective Date will be issued at an equivalent value to that of the Topco Investor Shares.

The Topco Sponsor Shares and the Topco Investor Shares will comprise 61 per cent. and up to 30 per cent. respectively of the Topco Offer Shares, with the balance comprised of Topco Redeemable Shares, provided always that the number of Topco Redeemable Shares in issue will not exceed the Topco Redeemable Share Maximum. Any Topco Redeemable Shares which would cause the total number of Topco Redeemable Shares in issue to exceed the Topco Redeemable Share Maximum will instead be issued as Topco Sponsor Shares.

On that basis, and for illustrative purposes only, in the event the Alternative Offer is taken up in full by Eligible IQGeo Shareholders, based on Bidco's current estimate of fees, costs and expenses payable in respect of the Acquisition and assuming the number of IQGeo Shares issued pursuant to the IQGeo Share Plans prior to the Effective Date is the maximum number set out in paragraph 2(b) of Appendix 2 to this Announcement, Topco would, on or around the Effective Date and subject to the terms and conditions of the Alternative Offer, have in issue around (inclusive of any Topco Shares already issued to KKR Investor prior to the Effective Date):

- 4,534,271 Topco Sponsor Shares and 668,990 Topco Redeemable Shares issued to KKR Investor to fund the cash consideration payable under the Acquisition and fees, costs and expenses payable in respect of the Acquisition; and

- 2,229,969 Topco Investor Shares issued to those IQGeo Shareholders who validly elect to receive the Alternative Offer.

If, however, the Alternative Offer were accepted in respect of less than the Alternative Offer Maximum, the number of Topco Investor Shares would be reduced accordingly, and the balance of the Topco Offer Shares will instead be issued in the form of (i) additional Topco Redeemable Shares up to the Topco Redeemable Share Maximum; and (ii) additional Topco Sponsor Shares (for the balance).

### 3. **Topco Redeemable Shares and re-financing**

The Topco Redeemable Shares will accrue interest from issuance at a floating rate of SONIA plus 2.05 per cent. per year (the "**Yield**") and will rank senior to the Topco Ordinary Shares for any dividend or other distribution (including on a winding up). They will be redeemable by Topco at a redemption price equal to the sum of (i) the Topco Redeemable Share Subscription Amount and (ii) the accrued Yield. The Topco Redeemable Shares will carry voting rights.

It is intended that, within 90 days following the Effective Date, Topco will re-finance the Topco Redeemable Shares. This refinancing is currently expected to be effected by way of an issue of additional Topco Ordinary Shares but could be effected through the issue of a different instrument.

If the re-financing is effected by means of the issue of additional Topco Ordinary Shares, the number of Topco Ordinary Shares to be issued will be equal to the number of Topco Redeemable Shares in issue at the date of the re-financing, at a subscription price per Topco Ordinary Share equal to the sum of (i) the Topco Redeemable Share Subscription Amount; and (ii) the Yield accrued on each Topco Redeemable Share at the time of the re-financing.

All Topco Ordinary Shareholders will be entitled to participate on a *pro rata* pre-emptive basis in proportion to their holdings of Topco Ordinary Shares (with an ability to subscribe for any excess amount not taken up by other Topco Ordinary Shareholders). KKR Investor would expect to participate in any such pre-emptive issue for at least its *pro rata* entitlement. The proceeds from any such issue would be applied by Topco to redeem the Topco Redeemable Shares.

If any of the Topco Redeemable Shares are not redeemed at the end of the period of 90 days following the Effective Date, KKR Investor shall be entitled, within 30 days thereafter, to exchange all Topco Redeemable Shares in issue at that time for an equal number of Topco Ordinary Shares. Such exchange of Topco Redeemable Shares for Topco Ordinary Shares will not be subject to pre-emption rights in favour of the other Topco Ordinary Shareholders.

### 4. **Listing**

The Topco Investor Shares will not be listed or traded on any stock exchange.

### 5. **Economic rights**

Both the Topco Sponsor Shares and the Topco Investor Shares are Topco Ordinary Shares. The Topco Investor Shares will rank *pari passu* in all respects with the Topco Sponsor Shares, including the rights to vote at general meetings and to receive and retain dividends and other distributions declared, made or paid by reference to a record date falling on or after the date of

issue of such Topco Investor Shares. The Topco Investor Shares will be issued credited as fully paid.

The economic rights attaching to the Topco Investor Shares are subject to the risks described below and in paragraph 13 of this Announcement.

## **6. Board composition**

The number of directors on the Topco Board will be not less than three and the maximum number of directors on the Topco Board will be determined by KKR Investor.

KKR Investor will be entitled to appoint or remove the majority of the directors to or from the Topco Board and, upon removal, to appoint other people in their places. Qualified Investor Shareholders will have a consultation right in respect of the replacement of any person holding a senior management position in the Topco Group.

Any Investor Shareholder (i) holding on the date on which the Topco Offer Shares are issued, and continuing to hold thereafter, Topco Ordinary Shares representing at least 20 per cent. of Topco's total voting rights as of the date on which the Topco Offer Shares are issued or (ii) holding Topco Ordinary Shares representing at least 20 per cent. of Topco's total voting rights from time to time (such Investor Shareholder, a "**Qualified Investor Shareholder**"), will be entitled to appoint one director and one observer to the Topco Board.

Topco directors will be given no less than ten business days' notice for each meeting of the board (which may be waived with the agreement of one director appointed by KKR Investor and each director appointed by a Qualified Investor Shareholder), together with an agenda for the business of the meeting and all papers in connection with it. The quorum for the transaction of business at a board meeting will be two directors (including one director appointed by KKR Investor), provided that the quorum must include each director appointed by a Qualified Investor Shareholder if a Reserved Matter is to be considered and voted on at the meeting. There shall be a minimum of four meetings of the Topco Board per annum.

Any director fees payable to the directors appointed by the Qualified Investor Shareholders shall be equivalent to the director fees payable to the directors appointed by KKR Investor.

## **7. Board voting and quorum**

Each director on the Topco Board will have one vote and resolutions of the Topco Board will be passed by a simple majority and must include the vote of at least one director appointed by KKR Investor, provided that any resolution approving a Reserved Matter must be approved by KKR Investor and each director appointed by a Qualified Investor Shareholder.

Further provisions in respect of decision making and quorum of the Topco Board are to be determined and will be set out in the Topco Shareholders' Agreement, the Topco Articles and summarised in the Scheme Document.

## **8. Topco governance**

On a written shareholder resolution or on a poll at a general meeting of Topco, each holder will have one vote for each Topco Share held.

The following matters (the "**Reserved Matters**") will require the prior consent of each Qualified Investor Shareholder:

- (a) any material amendment to the organisational documents of Topco, in a manner that would adversely and disproportionately affect a Qualified Investor Shareholder compared to KKR Investor;
- (b) the voluntary liquidation or winding-up of Topco;
- (c) any transactions between Topco (or its subsidiaries, including IQGeo), on the one hand, and any Topco shareholder (or any of its related parties) on the other hand, other than on arm's length terms;
- (d) any raising of new equity capital or issue of any securities by any member of the Topco Group otherwise than in accordance with pre-emption rights;
- (e) any return of capital, redemption or buy-back of shareholder instruments or recapitalisation of or by any member of the Topco Group other than on a *pro rata* basis as between the Topco Ordinary Shareholders;
- (f) any dividends or distributions declared, paid or made to Topco shareholders other than on a *pro rata* basis as between the Topco Ordinary Shareholders;
- (g) the commencement or settlement of any material litigation;
- (h) the making of any material amendment to the nature of the business of IQGeo or the Topco Group; and
- (i) the incurrence of material indebtedness in excess of the greater of 2x the annual recurring revenue or 5x the earnings before interest, tax, depreciation and amortisation of the Topco Group,

save, in the case of paragraphs (d) and (e) above, between wholly-owned members of the Topco Group, provided such action does not disproportionately affect the Investor Shareholders.

The following matters ("**Consultation Matters**") will require prior consultation with any Qualified Investor Shareholder:

- (a) the replacement of any member of senior management of the Topco Group;
- (b) any merger, acquisition or disposal involving a member of the Topco Group at a value that is material in the context of the business of the Topco Group taken as a whole;
- (c) the establishment of any management incentive plan; and
- (d) any sale of interests in Topco that constitutes a change of control or sale of all or substantially all of the assets of Topco.

## 9. **Information rights**

KKR Investor and each Qualified Investor Shareholder will be entitled to customary information rights in relation to Topco and the Topco Group, including the right to receive:

- (a) the annual audited consolidated accounts of the Topco Group;
- (b) monthly management accounts for the Topco Group, to the extent available; and
- (c) copies of all financial or other information provided by the Topco Group to any lender or investor in the Topco Group's debt or debt securities.

## 10. **Pre-emption**

If Topco proposes to issue new equity securities in Topco (or any instrument to be converted into equity in Topco) to KKR Investor, each other holder of Topco Shares shall be entitled to participate in the issue *pro rata* to the proportion of Topco Shares represented by the number of Topco Shares it holds, excluding the following issues:

- (a) to KKR Investor in exchange for the Topco Redeemable Shares as described above in paragraph 3 of this Appendix 4;
- (b) to KKR Investor to finance the Acquisition or any purchase of IQGeo Shares outside the Acquisition (pursuant to the compulsory acquisition procedure or otherwise);
- (c) to Investor Shareholders pursuant to the terms of or in connection with the implementation of the Acquisition;
- (d) pursuant to a management incentive plan;
- (e) for non-cash consideration on the acquisition of, or merger with, all or part of another business, undertaking, company or assets that has been approved by the Topco board; and
- (f) in connection with debt financing arrangements of Topco approved by the Topco board where the financing is conditional on Topco issuing equity securities (or any instrument to be converted into equity in Topco) to such debt finance provider.

In the event of an issuance described in paragraphs (d) to (f), the percentage shareholding of all Topco Ordinary Shareholders will be diluted on a *pro rata* basis.

## 11. **Transfers**

### ***Restrictions on transfer***

The Topco Investor Shares can only be transferred (i) with the prior written consent of KKR Investor or (ii) pursuant to the drag and tag rights described below.

### ***Right of first offer***

Other than with respect to (i) a transfer pursuant to the drag and tag rights described below in the case of a proposed transfer of Topco Shares or (ii) any transfer of Topco Shares by KKR Investor to an affiliate of KKR Investor, if any holder of Topco Shares intends to sell any of its Topco Shares (in each case, the "**Selling Shareholder**"), then such Selling Shareholder must first offer such Topco Shares to KKR Investor and each (other) Qualified Investor Shareholder as applicable (the "**Non-Selling Shareholders**"). The Non-Selling Shareholders will be entitled

to make a binding offer *pro rata* to their respective proportionate holding of Topco Shares to the Selling Shareholder within 30 calendar days.

The Selling Shareholder will be permitted to accept or reject any offer from any Non-Selling Shareholder within 30 calendar days of receipt of the offer. If the Selling Shareholder rejects an offer from a Non-Selling Shareholder, it cannot, within the next 180 calendar days, accept an offer from a third party at a price per share that is less than the price offered by such Non-Selling Shareholder. Once that 180 calendar day period has expired, if the Selling Shareholder intends to sell any of its Topco Shares, it must re-approach the Non-Selling Shareholders and offer such Topco Shares to them, repeating the process set out above.

If none of the Non-Selling Shareholders make a binding offer to the Selling Shareholder, the Selling Shareholder may enter into definitive documentation with a third-party purchaser within the following 180 calendar days (with such period being extended as required to satisfy any applicable mandatory regulatory conditions) at any price. Again, once that 180 calendar day period has expired, if the Selling Shareholder has not entered into definitive documentation with a third-party purchaser and still intends to sell any of its Topco Shares, it must re-approach the Non-Selling Shareholders and offer such Topco Shares to them, repeating the process set out above.

#### ***Other transfer restrictions***

Further provisions in respect of certain other customary transfer restrictions (including, but not limited to, in respect of the identity of the proposed transferee and requirements in respect of compliance with anti-money laundering, anti-bribery and corruption and anti-sanctions checks, adherence to the Topco Shareholders' Agreement and receipt of necessary regulatory approvals (if applicable)) will be set out in the Topco Shareholders' Agreement, the Topco Articles and summarised in the Scheme Document.

#### ***Tag right***

Excluding in respect of any transfer of Topco Shares by KKR Investor to an affiliate of KKR Investor:

- (a) if KKR Investor proposes to transfer any Topco Shares to a third party, Investor Shareholders shall have a customary *pro rata* "tag" right entitling them to transfer, on the same terms and conditions as KKR Investor, a proportionate number of its Topco Ordinary Shares to the transferee; and
- (b) if KKR Investor proposes to transfer Topco Shares to a third party and such transfer would result in a change of control of Topco, Investor Shareholders shall have the right to transfer, on the same terms and conditions as KKR Investor, all of their Topco Ordinary Shares to the transferee.

#### ***Drag right***

KKR Investor shall have a customary "drag" right in respect of any transfer by KKR Investor of Topco Shares to a third party where such transfer would result in a change of control of Topco. The drag right will entitle KKR Investor to require all Investor Shareholders to transfer their interests in Topco on the same terms and conditions as KKR Investor to such third party purchaser, provided that if the proposed sale is:

- (a) prior to the fifth anniversary of the Effective Date, KKR Investor will only be able to exercise its drag right with respect to an Investor Shareholder if the price per Topco Share of the sale triggering the drag right results in at least a 2.5x multiple on invested capital for such Investor Shareholder; and
- (b) on or after the fifth anniversary but prior to the seventh anniversary of the Effective Date, KKR Investor will only be able to exercise its drag right with respect to an Investor Shareholder if the price per Topco Share of the sale triggering the drag right results in at least a 2x multiple on invested capital for such Investor Shareholder.

After the seventh anniversary of the Effective Date, KKR Investor's drag right will apply regardless of the multiple on invested capital achieved by the relevant sale.

## 12. Fees

Any transaction, monitoring or other similar fees payable by the Topco Group shall be paid to the Topco Ordinary Shareholders in proportion to their holdings.

## 13. Eligibility

In order to be eligible to participate in the Alternative Offer, election by each IQGeo Shareholder will be conditional on satisfying relevant regulatory requirements and obligations under overseas securities laws and regulations. In addition, Eligible IQGeo Shareholders who elect for the Alternative Offer will be required to provide, and procure that their affiliates and other related persons provide, to Bidco and KKR Investor before any Topco Investor Shares can be allotted to them such materials and information with respect to themselves (and, to the extent applicable, their directors, shareholders, affiliates and other relevant parties) as requested by Bidco and KKR Investor in order to satisfy Bidco, KKR Investor and their affiliates' "Know Your Client" checks (including pursuant to obligations under the U.S. Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001, the Currency and U.S. Foreign Transactions Reporting Act of 1970, the UK Money Laundering, Terrorist Financing and Transfer of Funds (Information on the Payer) Regulations 2017 and the Joint Money Laundering Steering Group Guidance Notes (or analogous equivalent) and/or the Luxembourg law of 12 November 2004 on the fight against money laundering and terrorist financing (as amended)). Further details regarding the information to be provided, and the manner in which it should be provided, will be set out in the Scheme Document.

## 14. Terms of the Alternative Offer in the event of a switch

In the event that Bidco elects, with the consent of the Panel and subject to the Co-operation Agreement, to switch to a Takeover Offer, and less than 100 per cent. of the IQGeo Shares have been acquired by Bidco (pursuant to acceptances of the Takeover Offer or otherwise) on or around the date on which the Alternative Offer closes (the "**Scale-back Date**"), the total number of Topco Offer Shares issued to KKR Investor and Investor Shareholders on or around the Scale-back Date (inclusive of any Topco Shares already issued to KKR Investor prior to such date) will be reduced *pro rata* such that the maximum number of Topco Investor Shares available to IQGeo Shareholders under the Alternative Offer will remain equal to the equivalent of 30 per cent. of the total Topco Offer Shares following the settlement of consideration due to IQGeo Shareholders who have accepted the Takeover Offer (either the Cash Offer or the Alternative Offer) on or before the Scale-back Date.

In that event, to the extent the elections for the Alternative Offer are unable to be satisfied in full, the entitlement to Topco Investor Shares of each IQGeo Shareholder who has made a valid election will be reduced on a *pro rata* basis and rounded down to the nearest whole number, and the balance of the consideration due to such IQGeo Shareholder will be paid in cash in accordance with the terms of the Cash Offer.

If, following a scale-back of the Alternative Offer elections as described above, (i) further IQGeo Shares are acquired for cash by or on behalf of Bidco after the Scale-back Date (under the Cash Offer or the compulsory acquisition procedure or otherwise), and (ii) the Topco Ordinary Shares or the Topco Redeemable Shares to be issued to fund those acquisitions were not included in the calculation of the above 30 per cent. maximum entitlement of the Investor Shareholders, any additional Topco Ordinary Shares and Topco Redeemable Shares (together, the "**Additional Topco Cash Funding Shares**") which are to be issued in order to fund those cash acquisitions, will be allocated as follows (either by way of pre-emption or catch-up rights), in order to give the Investor Shareholders an opportunity to maintain their percentage holding of Topco Shares:

- (a) 30 per cent. of the Additional Topco Cash Funding Shares shall be offered to the Investor Shareholders in the form of Topco Ordinary Shares for subscription on a *pro rata* basis;
- (b) 61 per cent. of the Additional Topco Cash Funding Shares shall be issued to KKR Investor in the form of Topco Ordinary Shares; and
- (c) 9 per cent. of the Additional Topco Cash Funding Shares shall be issued to KKR Investor in the form of Topco Redeemable Shares.

If, however, the Additional Topco Cash Funding Shares offered to the Investor Shareholders under paragraph (a) above are not taken up in full the total number of Topco Ordinary Shares to be issued to the Investor Shareholders under paragraph (a) will be reduced accordingly, and the balance of the Additional Topco Cash Funding Shares will instead be issued to KKR Investor in the form of (i) additional Topco Redeemable Shares up to the Topco Redeemable Share Maximum; and (ii) additional Topco Ordinary Shares (for the balance).

## 15. **Governing law and jurisdiction**

It is intended that the Topco Shareholders' Agreement and any non-contractual or other obligations arising out of or in connection with it shall be governed by English law. The courts of England will have exclusive jurisdiction to decide any dispute which may arise out of or in connection with the Topco Shareholders' Agreement.
