RECOMMENDED CASH ACQUISITION

OF

IQGEO GROUP PLC ("IQGEO")

BY

GEOLOGIST BIDCO LIMITED ("BIDCO")

a newly formed company wholly-owned by funds advised by Kohlberg Kravis Roberts & Co. L.P. and its affiliates ("KKR") to be effected by means of a Scheme of Arrangement

under Part 26 of the Companies Act 2006

Update on the letter of intent given by Charles Stanley & Co Ltd

On 14 May 2024, the boards of IQGeo Group plc ("**IQG**") and Geologist Bidco Limited ("**Bidco**"), a newly formed company wholly-owned by funds advised by Kohlberg Kravis Roberts & Co. L.P. and its affiliates ("**KKR**"), announced that they had reached agreement on the terms and conditions of a recommended cash acquisition by Bidco of the entire issued and to be issued share capital of IQG (the "**2.7 Announcement**") (the "**Acquisition**"). The Acquisition is to be implemented by way of a Court-sanctioned scheme of arrangement under Part 26 of the Companies Act 2006.

Unless otherwise defined in this announcement, capitalised words and phrases used in this announcement shall have the same meanings given to them in the 2.7 Announcement.

As set out in Appendix 3 of the 2.7 Announcement, Bidco had received a non-binding letter of intent from Charles Stanley & Co Ltd ("**Charles Stanley**") to vote in favour of the resolutions relating to the Acquisition at the Meetings in respect of 6,142,032 IQG Shares, representing 9.93 per cent. of IQG's existing ordinary issued share capital at the Latest Practicable Date (the "**Charles Stanley LOI**").

It was disclosed via rule 8.3 announcement on 16 May 2024, that Charles Stanley sold 2,500 IQG shares subject to the Charles Stanley LOI. In addition on 20 May 2024, IQG was notified that Charles Stanley on 17 May 2024 had sold a total of 300,390 IQG Shares subject to the Charles Stanley LOI. Earlier today, it was announced via 8.3 announcement that Charles Stanley sold a further 128,700 IQG shares, taking the aggregate number of IQG shares subject to the Charles Stanley LOI sold to 431,590 (the "**Sold Shares**").

As a result, with effect from completion of the sale of the Sold Shares:

- the Charles Stanley LOI has ceased to apply in respect of the Sold Shares; and
- the Charles Stanley LOI now applies in respect of Charles Stanley's remaining holding of 5,709,442 IQG Shares, representing approximately 9.23 per cent. of the issued ordinary share

capital of IQG as at close of business on 21 May 2024 (being the last business day prior to the date of this announcement).

Therefore, the total number of IQG Shares which are subject to either irrevocable undertakings or non-binding letters of intent in relation to IQG Shares is 35,548,984, representing approximately 57.52 per cent. of the issued ordinary share capital of IQG as at close of business on 17 May 2024 (being the last business day prior to the date of this announcement).

Additional information for US investors

The Acquisition relates to the shares of an English company and is being made by means of a scheme of arrangement provided for under English company law. A transaction effected by means of a scheme of arrangement is not subject to the tender offer or proxy solicitation rules under the US Exchange Act. Accordingly, the Acquisition is subject to the disclosure requirements and practices applicable in the United Kingdom to schemes of arrangement which differ from the disclosure requirements of the US tender offer and proxy solicitation rules.

If, in the future, Bidco exercises its right to implement the Acquisition by way of a Takeover Offer, which is to be made into the US, such Takeover Offer will be made in compliance with the applicable US laws and regulations, including Section 14(e) and Regulation 14E under the US Exchange Act. Such a Takeover Offer would be made in the US by Bidco and no one else.

In the event that the Acquisition is implemented by way of Takeover Offer, in compliance with applicable UK laws, Bidco, its dealer manager (and their advisers or affiliates), or its nominees, or its brokers (acting as agents), may from time to time make certain purchases of, or arrangements to purchase, shares or other securities of IQGeo other than pursuant to such Takeover Offer during the period in which such Takeover Offer would remain open for acceptance. These purchases may occur either in the open market at prevailing prices or in private transactions at negotiated prices. Any information about such purchases or arrangements to purchase shall be disclosed as required under UK laws, shall be reported to a Regulatory Information Service and shall be available on the London Stock Exchange website at www.londonstockexchange.com. To the extent that such information is required to be publicly disclosed in the UK in accordance with applicable regulatory requirements, this information will, as applicable, also be made publicly available in the United States.

It may be difficult for US holders of IQGeo Shares to enforce their rights and any claim arising out of the US federal securities laws in connection with the Acquisition, since Bidco and IQGeo are located in a non-US jurisdiction, and some or all of their officers and directors may be residents of a non-US jurisdiction. US holders of IQGeo Shares may not be able to sue a non-US company or its officers or directors in a non-US court for violations of the US securities laws. Further, it may be difficult to compel a non-US company and its affiliates to subject themselves to a US court's judgement.

The Topco Investor Shares to be issued under the Alternative Offer have not been registered under the US Securities Act or under any laws or with any securities regulatory authority of any state, district or other jurisdiction, of the US and will not be listed on any stock exchange in the US. The Topco Investor Shares may only be offered or sold in the US in reliance on an exemption from registration requirements

of the US Securities Act including in the case of the proposed scheme of arrangement, Section 3(a)(10) thereunder.

The financial information included in this Announcement, or that may be included in the Scheme Document, has been prepared in accordance with accounting standards applicable in the United Kingdom and thus may not be comparable to financial information of US companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the US ("**US GAAP**"). US GAAP differs in certain significant respects from accounting standards applicable in the United Kingdom. None of the financial information in this announcement has been audited in accordance with auditing standards generally accepted in the United States or the auditing standards of the Public Company Accounting Oversight Board (United States).

Neither the Acquisition (including the Alternative Offer) nor this Announcement have been approved or disapproved by the US Securities and Exchange Commission, any state securities commission in the United States or any other US regulatory authority, nor have such authorities approved or disapproved or passed judgement upon the fairness or the merits of the Acquisition (including the Alternative Offer), or determined if the information contained in this Announcement is adequate, accurate or complete. Any representation to the contrary is a criminal offence in the United States.

The receipt of cash pursuant to the Acquisition by a US holder as consideration for the transfer of its IQGeo Shares pursuant to the Acquisition will likely be a taxable transaction for US federal income tax purposes and under applicable US state and local, as well as foreign and other, tax laws. Each US holder of IQGeo Shares is urged to consult their independent legal, tax and financial advisers regarding the tax consequences of the Acquisition applicable to them, including under applicable US state and local, as well as overseas and other, tax laws.

Disclosure requirements of the Takeover Code

Under Rule 8.3(a) of the Takeover Code, any person who is interested in 1% or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the Offer Period and, if later, following the announcement in which any securities exchange offeror is first identified. An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s). An Opening Position Disclosure by a person to whom Rule 8.3(a) applies must be made by no later than 3.30 pm (London time) on the 10th business day following the commencement of the Offer Period and, if appropriate, by no later than 3.30 pm (London time) on the 10th business day following the announcement in which any securities exchange offeror is first identified. Relevant persons who deal in the relevant securities of the offeree company or of a securities exchange offeror prior to the deadline for making an Opening Position Disclosure must instead make a Dealing Disclosure.

Under Rule 8.3(b) of the Takeover Code, any person who is, or becomes, interested in 1% or more of any class of relevant securities of the offeree company or of any securities exchange offeror must make a Dealing Disclosure if the person deals in any relevant securities of the offeree company or of any securities exchange offeror. A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s), save to the extent that these details have previously been disclosed under Rule 8. A Dealing Disclosure by a person to whom Rule 8.3(b) applies must be made by no later than 3.30 pm (London time) on the business day following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they will be deemed to be a single person for the purpose of Rule 8.3.

Opening Position Disclosures must also be made by the offeree company and by any offeror and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4).

Details of the offeree and offeror companies in respect of whose relevant securities Opening Position Disclosures and Dealing Disclosures must be made can be found in the Disclosure Table on the Panel's website at www.thetakeoverpanel.org.uk, including details of the number of relevant securities in issue, when the Offer Period commenced and when any offeror was first identified. You should contact the Panel's Market Surveillance Unit on +44 (0)20 7638 0129 if you are in any doubt as to whether you are required to make an Opening Position Disclosure or a Dealing Disclosure.
